La hija del pirata Brenda Joyce

Amanda Carre era hija de un pirata, y no sabía nada sobre el refinamiento de la alta sociedad. Como estaba sola en el mundo, nunca había dependido de nadie, hasta que el destino intervino al poner en su camino a Cliff de Warene, que la rescató de la multitud durante la ejecución de su padre. Debido a la situación, Amanda tuvo que partir hacia Inglaterra para encontrarse con la madre a la que nunca conoció, en compañía de un mujeriego empedernido... Un mujeriego que también era el mayor corsario de la época. El honor exigía que llevara a la hermosa e indómita muchacha a Londres para que se encontrara con su madre, y Cliff sabía que debía silenciar la atracción que sentía por ella. Era consciente de que no estaba preparada para entrar en la alta sociedad londinense, así que no le quedó más remedio que convertirse en su tutor, instruirla para conseguir que se convirtiera en una dama... y encontrarle un buen partido; sin embargo, cada vez le resultaba más difícil ocultar la pasión explosiva que lo abrumaba... hasta que Amanda hizo su impresionante debut y decidió tomar las riendas de la situación. Al fin era toda una dama, y el corazón de Cliff estaba a punto de quedar cautivo...

it's been a really long time since i've read this, but i remember being irritated at the fact that the girl acted like a child what with the constantly wanting to impress the guy and seeking his approval. it's pretty pathetic. &i absolutely hated that the guy was married before-and had kids! ugh! that's the worst. i didn't care for that at all.and the whole "married to a princess" thing just seemed a little unrealistic and irrelevant for the story. i mean, what significance did his wife being a princess have on the story? while a blushing guy can be sweet sometimes, and its so rarely done, in here cliff just came off as less manly because he was blushing all the time.

Randy says

Amanda Carre is an unruly and wild daughter of a pirate that is now being hanged for piracy. She is besides herself with grief and doesn't know what to do so comes up with many plots to exonerate her father and she will do anything to see to his freedom. But that anything ends her in the arms and the responsibility of Cliff De Warrene, a nobleman/privateer.

I loved this book! Cliff de Warrene is absolutely the perfect prince charming/gentleman even though in the book it states many times that he was a rogue. Still this book was executed perfectly by BJ. If you're one for hot and heavy sex on every other page, well then this romance isn't for you since its really all about denial and chase and you barely get a kiss after 100 pages into the book since Cliff is nothing but honorable in his goal and intentions. I really liked that it wasn't like a lot of other HR books where the man immediately jumps on a protesting woman and seduces her wills. This book was really just more realistic in that the hero and heroine took so long to get to know each other and the audience truly felt they knew each other by the end of the book before they finally got together. Great! Great, over and over type of read.

♥?elody says

This had all the elements of what I usually love in a HR book. A dashing rakehell privateer taking on a 'wild child' orphaned innocent tomboy as his ward and tutoring her in the ways of becoming a lady. But dammit....the writing just killed it for me. There's a lot of unnecessary repetition, sloppy world building, awkward phrasing and stilted flat dialogue (some of which made no sense). And the overly dramatic 'she cried' 'he cried' 'she breathed' just annoyed me to no end. It's too soap opera. I could forgive it if it was used lightly but it's everywhere, especially near the end. Cliff "crying out" randomly for no reason while he carries her to bed.... what the fudge? He cried out *what* exactly? Did he stub his toe?

And I don't know of any experienced rake who blushes as much as the hero Cliff de Warrene does in here. Like damn....does he have rosacea? The number of times this guy blushes and gets flustered I found extremely odd and...unrealistic? He's a world renown rake who's traveled the world and lived on the sea most of his adult life so there is nearly *nothing* that should make this guy blush. It just kept throwing me off and taking me out of moments. And the love scenes?

Whomp whomp whomp. You drag things out at a snails pace and force ridiculous contrived reasons to keep your couple apart only to give a half page glossed over reunion? After all that? No beuno. I'm a detail kind of

gal and her writing style is too loose and shallow for me.

But I am intrigued enough by Cliff's brooding older brother Rex who seems entranced by Lady Harrington, so I will give the next book a try (if I can find it). But damn I really wish the writing was stronger and had more depth.

Amanda says

This book is a historical romance novel. Brenda Joyce simply outdid herself with "A Lady At Last"!

Poor, little, vulnerable Amanda Carre has lost her father after he was sentenced to be hung. Her only hope of survival now, in a town that is completely filled with rogues, is a high-regarded, wealthy, handsome privateer named Cliff de Warenne. Amanda's childhood was filled with nothing but violence and thievery, growing up at her father's side. However now, as she must travel side-by-side with Cliff, she must now learn to become an etiquette lady. Not by herself, but with Cliff there to help her. As days go by, they find themselves dangerously yearning for each other and growing to respect new aspects of life.

I recommend this book because I think it is one of the sweetest books I have ever read. If you are one who endears romance, history, and/or romantic history, you should most definitely read this book.

Lisa says

Issu de la série des « De Warenne », Lady Flibuste en est en fait le 4ème tome, mais on peut tout à fait le lire indépendamment des autres ou dans un autre ordre. Enfin de présume... Même en ayant les autres dans ma PAL je n'ai pas senti de soucis particulier en commençant par celui-ci.

Nous avons ici une histoire sur fond de piraterie (un léger fond hein, n'imaginez pas embarquer pour une histoire pleine de combats entre pirates et corsaires !) avec comme point de départ de la romance un élément qui m'a, je l'avoue, intéressé et intrigué dès le départ, c'est-à-dire une histoire d'amour entre une toute jeune fille de 17 ans et un homme plus âgé (enfin... il n'a même pas 30 ans hein !). Ah... mon fantasme d'adolescente... Rencontrer un homme beau et viril, incarnant la protection et la passion... Bref, c'est un thème que j'aime beaucoup (encore aujourd'hui alors que je n'ai plus 17 ans ! bizarre...).

Cette toute jeune fille donc, Amanda Carre dite « la Sauvage », vient demander avec désespoir l'acquiescement de son père auprès du gouverneur qui s'apprête à le faire pendre pour actes de piraterie. Abandonnée par sa mère et n'ayant que son père pour s'occuper d'elle, elle est prête à toutes les extrémités pour plaider sa cause. Elle ira jusqu'à proposer ses faveurs au gouverneur pour empêcher la pendaison. Mais la présence le jour même du capitaine Cliff de Warenne dans le bureau du gouverneur va mettre son plan en péril. De libertin notoire, Cliff va se retrouver protecteur d'Amanda poussé par le besoin de la mettre en sécurité et par cette irrésistible et incommode attirance qui l'empêche de s'éloigner de la jeune fille. Alors oui, j'aime ces histoires romanesques où l'héroïne est jeune (dans la limite du raisonnable bien sûr et en rapport avec un contexte historique précis !) et naïve, et qui finit par s'éprendre du bel et expérimenté héros. Loin d'accepter son attirance, Cliff la combattra même, car il est plutôt de nature à être attiré par les femmes plus mûres (God bless the romances !!) et distinguées. Cette lutte incessante qu'il mènera pour l'empêcher de mettre la jeune et belle Amanda dans son lit est très agréable à lire. On suit ses questionnements, ses faiblesses et parfois sa raison sera noyée dans les tourments de son désir pour elle. Au fil des pages, nous découvrons cet amour qui naît, grandit mais reste impossible. L'honneur et le devoir qui habitent Cliff seront autant de barrières qui l'empêcheront de déclarer sa flamme. Amanda, qui ne connaît rien à l'amour et qui ne voit son salut qu'en devenant la maîtresse de son bienfaiteur tentera par tous

les moyens de s'inviter dans son lit. Le pauvre Cliff aura bien du mal à se retenir face à ses avances... Afin de lui permettre de retrouver sa mère, cette femme qui l'a « laissée » à son père lorsqu'elle n'était encore qu'une toute petite fille, Cliff fera tout pour transformer Amanda en la jeune fille distinguée et bien née qu'elle est en droit d'être. Et c'est ce qui m'a le plus gêné dans l'histoire... Cette volonté que tous auront, Amanda elle-même, de la changer complètement, de faire de la « Sauvage » une jeune femme digne de la bonne Société londonienne. Ayant vécu ses 17 premières années avec son père, à bord d'un bateau pirate avec tout ce que cela implique, elle s'est forgé un caractère bien trempé, avec une capacité à la navigation et au combat au-dessus de celle de certains hommes. Je n'ai pas trop compris cette détermination de la rendre quelqu'un d'autre, une petite chose fragile, comme si un homme comme Cliff ne pourrait céder qu'à une jeune femme aux manières aristocratiques. Pour le romantisme on repassera donc... Mais malgré cela, cette histoire se lit avec beaucoup de plaisir. J'ai du coup très envie de sortir les autres tomes de cette série de ma PAL.

Cliff de Warrenne adalah gentleman sejati. Dirinya tidak akan memanipulasi gadis tidak berdosa seperti Amanda Carre yg lugu, walaupun betapa pesona si gadis benar-benar membuat Cliff kewalahan dan kelimpungan.

Sepeninggal ayahnya yang mati digantung di kepulauan di Jamaika, Amanda harus membiasakan dirinya di bawah perwalian Cliff. Amanda sudah digambarkan sbg gadis mandiri dan tidak terbiasa menerima kebaikan orang lain secara gratis. Berkali-kali Amanda menawarkan keperawanannya kepada Cliff sbg ganti pembayaran selama Cliff mengurus Amanda supaya mencapai tujuannya, sbg Lady di London. Cliff sebenarnya sudah kepincut dan sadar bhw pertahanan dirinya sudah sering nyaris lolos dan tergoda pada tawaran Amanda yg menyodorkan tubuhnya yg menggiurkan. Tetapi Cliff selalu kembali teguh dan menjaga kehormatan Amanda.

Tarik ulur hubungan Cliff dan Amanda sangat menarik dan tidak membosankan, walaupun banyak angst, tetapi (entah mungkin) saya sudah menyukai karakter Amanda yg berani dan mandiri sejak awal. Juga kemauan keras Amanda utk belajar membaca dan menjadi Lady yang mumpuni saya acungi jempol. Justru Cliff yang agak menyebalkan menurut saya, walaupun super gentleman. Cliff ini keras kepala tidak mau menikah dgn siapapun, bukan krn Amanda itu bukan lady maupun papa. Tetapi Cliff menolak semua daftar bujukan berpotensi utk menjadi suami Amanda, termasuk yang terang-terangan mendekati Amanda. Gimana sih Cliff?

Saya suka kedua H/H ini yang tegas terhadap Dulcea Belford (ibu kandung Amanda) yang materialistis dan jalang, yang otaknya isinya penuh kalkulasi, dan mereka menembak tepat ke sasaran dgn penolakan tegas dan tanpa ampun utk tidak menuruti manipulasi penuh tipuan ala Dulcea.

Walaupun klimaks di ending agak-agak drama, tetapi saya cukup puas. Paling tidak karakter Cliff dan Amanda konsisten. Dan walaupun si Cliff rada telmi saat menyadari dirinya cinta pada Amanda, tetapi dia tidak gengsi utk mengakui bhw dirinya salah dan menginginkan Amanda utk selamanya. UHUUUUUUU!!!!

Cliff bu hikayede ba?ka biriydi ,yazar her daim ayn? ?eyleri yap?yor,karakterlerini kendi kitaplar?nda çekilmez bir tip haline getiriyor ve bunda gayet ba?ar?l? ama beni dü?ündüren Bir Avuç A?k kitab?n? yazan yazar bu kitaplarda neden daha oldu bittiye getirir halde yazd???

Amanda'ya kitab?n ba??ndan sonuna kadar sinir oldum,hadi genç dedim ama korsan?n k?z? olarak büyüyen bir genç k?z?n daha etkili bir karakter olmas?n? isterdim.Cliff gibi birine bence daha iyi olurdu diye dü?ünüyorum:))(Baz?lar?n? duyar gibiyim daha iyisini sen yaz o zaman.)

K?z?n annesi için söyleyecek kelime bulam?yorum midemi buland?rd?,hareketleri tav?rlar? çok i?rençti. Yazar? seviyorum kalemi kuvvetli ama son iki ç?kan kitaplar?nda ben bu kalemi göremiyorum.

This book reminded me why I love historical romance so much, and made me wonder what took me so long to read one again.

Cliff and Amanda's story...I just couldn't get enough. Amanda has been raised since she was 4 years old by her pirate father, who has been caught and scheduled to hang. Desperate to save her father, she offers the governor her body in exchange for her father's life. Cliff de Warrene is a powerful and rich privateer who has watched Amanda grow up on the islands and saves her before she can barter her body. Their story is like a fairy tale...

I don't want to give too much away, but if you luvs historical romances and Happily Ever Afters, I highly recommand this one!! I'm going back to try to read the others in this series!

This is what happens when you read Brenda Joyce's romance novels! I ended up sleeping at 2am, skipping my homework, dedicating my full attention to the book. I was dying to know what happened next.

So...I must confess I did not read the de Warrene novels in order. My first was Rolfe de Warrene, and wow. He was (for me) the epitome of an alpha male. But to read Cliff de Warrene, I thought to myself: this man descended from Rolfe? Seriously? The gentleman nature was really an interesting and refreshing approach in the book. And I'm afraid I shall have my outburst now...

I absolutely adore this book! The heroine is amazing, and the hero is amazing. The story? Beautiful and brilliant! I was hoping it'd be a sizzling and steamy romance like Rolfe's but... There I go again, making unfair comparisons! Though it's not like the Conquerer, I enjoyed this book immensely!

There is no doubt that I will continue my hunt for the rest of the de Warrene books. =)

Kitab? çok bölük pörçük okumak zorunda kald?m teknik sebeplerden ötürü.3 verdim, Asl?nda güzeldi ama Tyler ya da Devlin'in hikayesi kadar etkilenmedim ben.

Amanda korsan babas? taraf?ndan yeti?tirilmi? hafif vah?i bir k?z, kitab?n ba?lar?nda babas? as?lmak üzere,Amanda babas?n? kurtarmak için öldürme emrini veren adam?n odas?n? bas?yor ki Cliff de orda,ilk kez o zaman kar??la??yorlar. K?z adama say?p söverken Cliff araya giriyor.Neyse k?z bak?yor ki zorbal?kla olmuyor adama birlikte olmay? teklif ediyor.

Tam i? gerçekte?ecekken Cliff odaya dal?p k?z? ordan ç?kar?yor. (Amanda'n?n sorunlar?n? çözmek için önüne gelene kendini sunmak gibi gereksiz bir huyu var,ayn? teklifi Cliff'e de yap?yor.)

Neyse baba öldürülmeden önce k?za annesinin yan?na gitmesini söylüyor,De Warren adam gibi adamd?r seni korur ona güven falan diyor.Ve babas? öldürülüyor. Amanda da Cliff'e gidip yard?m istiyor.Cliff k?z? annesine götürmek üzere sahipleniyor,gemi yolculu?u esnas?nda da aralar?nda bir yak?nla?ma ba?l?yor. Cliff uzak durmaya çal???yor ama ne faide.Zaten k?z dünden raz? adam? k??k?rtmalar,kendisini istemiyor diye üstüne yürüyüp düello yapmalar falan.

Dedi?im kitap güzeldi,bence s?k?nt? ba?lar?n çok uzun tutulmas?, yada ben parça parça okudu?umdan bana öyle geldi. Gene de Cliff benim gözümde bir Devlin de?il yani. Söylemeden geçemeyece?im Cliff'in veletleri çok sevimli, hele k?za bay?ld?m :D Alexi'nin de kitab? varm?? zaten, merak ediyorum onu da :D

"I need to have a rolling deck under my feet and a good wind in my hair." - Amanda Carre

This book is like a warm, cozy hug! Straight to favs! So many highlights, so heartwarming, so charming and compelling! And the troupe: Pygmalion pirate theme!I can't imagine anything better!

"You are trying to transform a pirate's child into a lady?"

"It seemed the obvious course of action."

"My charming, rakehell, conscienceless brother, infamous for his seductions of courtesans and countesses, is now champion of a pirate's daughter. This will be a very interesting Season, I think."

Cliff saves Amanda from a mob at her father's hanging, and he feels a strange need to protect her. Her father's dying wish is that she is to be reunited with her mother in England. So they set sails on a wonderful journey.

The sun was high, soft cumulous clouds scudded in the sky, and a pair of dolphins were racing the frigate at its larboard side.

Amanda is a wonderful, one of a kind heroine. **She is courageous, beautiful and fun.** She can fight with a sword and captain a ship. Cliff is smitten with her, but he refuses to acknowledge it and tries to stay a gentleman.

"Papa likes you, too," Ariella said abruptly.

Amanda tripped. "What?"

Ariella smiled at her. "He stares at you all the time and he turns red. He never blushes, except when you are in the room."

Cliff is an awesome hero. And he is a father! His kids are adorable! He is strong, arrogant, caring, powerful and kind.

She felt as if she was in a fairy tale with her own Prince Charming. She had to pinch herself to remind her that she was hardly her prince. But somehow, he had become her champion.

It was such a lovely journey from the beautiful Jamaica over the seas to England and then the introduction to the ton. Cliff's family was the best! I adored every single one of them. I didn't even mind a small separation because everything that happened was so exciting!

Read it! You don't want to miss this wonderful gem!

Orjinal Ad? A Lady At Last Olan A?ka Yelken A?anlar?n Goodreads puan? 5/4,04 Benim 5/5 Kitab? okurken ayaklar?m yerden kesildi.Bu kadin harika yaz?yor. Aska Yelken A?anlar tam da ismine uygun bir konusu olan bir roman idi

De Warren erkeklerinin en küçük ele avucu s?gmaz oğlu Cliff De Warren'in hikayesi idi.. Jamaika adalar?ndan Korsan k?z? Amanda Carre Cliff'in hayat?na f?rt?na gibi girdi. Girdiği andan itibaren ikilinin arasındaki olaylar h?z?n? hiç yitirmeden devam etti.

Amanda Cliff'in hayat?na giren diğer kad?nlara benzemiyordu. Egitimsiz ve çok genç kurt denizci için çok deneyimsizdi. Ama çok cesaretli ve kural tanımaz bir genç k?zd?..

Eski donanmac? subay? olan babas?n?n tek k?z? idi.Babas?ndan ba?ka kimsesi yoktu..Annesini hiç bilmiyordu..Asl?nda asil bir kad?n olan annesinin terk etti?i gayrime?ru bir çocuk idi..Babas? gerçe?i ondan üzülmemesi için saklam??t?..Ama gel gelelim i?ler planland??? gibi gitmez bir suçtan mahkum olmu?tur ve as?lmak üzeredir..

Babas?n?n as?lmas?n? önlemek için Koloninin valisine giden Amanda orada Cliff De Warren ile kar?la?r..Önceleri ufak bir k?z sand??? Amanda'n?n bir genç k?z oldu?unu farketmek ondan etkilenmek Cliff gibi howarda için al???lm?? ?ey de?ildi..Ama genç k?z?n yapmak üzere oldu?u ?eyi önlese de k?z?n gelece?i yine de ?üpheli idi..

Amanda'n?n babas?n?n as?ld??? sahne çok dokunaklı idi.Cliff eski dostuna k?z?n? korutup kollayaca??na söz vermi?ti..Plan basitti Amanda'y? ?ngiltere'de ya?ayan annesinin yan?na götürecektti ona teslim edecekti..Ama plnlar tutmaz Amanda ile birlikte yapt?klar? yolculuk güzel oldu?u kadar tehlikeli idi ..Çünkü aralar?ndaki cekim gittikçe artarak devam ederken arkadaşı olan Carre'ye onu koruyacağına dair söz vermesi isin rengini degistiriyordu..

Birlikte f?rt?nalara bile gö?üs gerdiler korsan k?z? olan bu vah?i genç k?z için gemicilik çocuk oyunca?ı idi..Ama ?ngiltere'deki sosyete ve annesinin kar??s?na ç?kmak için tabii ki yeterli de?ildi..

Yazarın kalemi müthiş idi. Hikayenin anlatım?,cevirisini çok beğendim kitap ak?yordu.De Warren erkeklerinin sevdiğileri zaman neler yapabilece?i ünlü inatlar? ve amans?zl?klar? Cliff'tede vard?..Baz? sahneleri bana Judith Mcnaught'un Sonsuza Kadar kitab?n? an?msatt?..Amanda'y? evlendirmek için liste halinde haz?rlanan talipler Cliff'in bunu be?enmemesi ve taliplardan deli gibi k?skanmas? akl?ma Jason'? getirdi ister istemez..

Pegasus Yayınlarına çok teşekkürler bu kadar basar?l? bir çeviri ile bize kitabı sunduğu için. Son zamanlardaki en başarılı historical romanlar?ndan idi. Yazarı hala okumad?sanız çok şey kaçıyorsunuz.

Kitap da gelecek hikayenin kahramanlar?da Rex De Warren ile Karizmatik Tyrell De Warren'in eski nisanlisi Blance Carrinton arasında olacak gibi. Umar?m o hikayeyi arası? fazla acılmadan okuruz. Okuyacak olanlara şimdiden keyifli okumalar.

(REVIEW IN SWEDISH)

Det här var en otrolig resa,precis som jag hade förväntat mig.Brenda Joyce har aldrig gjort mig besviken och nu älskar jag författaren bara ännu mer.Jag läste denna boken på svenska i pocket-omslag vid titeln "Piratens Dotter".

Dagen då Amanda Carres far hängs räddar den piratjägaren Cliff deWarenne henne och följer sitt löfte till att beskydda henne och ta henne hem till sin mor.Cliff är medveten om att Amanda är totalt oförberedd för en debut i London och ser därför till att denna vilda,men vackra piratens dotter får undervisning i hur en fin dam bör uppföra sig och han tar också an uppdraget att hitta en lämplig make åt henne. Men med tiden blir det allt svårare för Cliff att dölja sin åtrå och deras kärlek kan inte längre förnekas.

Den här boken fick mig att förlora sömn,skratta,gråta och ila av spänning. Amanda är en hjältinna som VERKLIGEN är vild av sig,och hon är till och med i samma ålder som mig,17 år.Det negativa med henne var att hon var SÅ BARNSLIG från början,vem blir avundsjuk på en liten tjej bara för att hon kan läsa?

Cliff Cliff Cliff.....gud vad jag ÄLSKAR HONOM!!!!!!Joyces hjältar älskar jag alltid och han här är inget undantag.Han är så vild,stark och älskar havet lika mycket som Amanda gör och jag nästan grät när han fick reda på att han älskade henne efter att ha varit ifrån henne i 2 veckor,sedan grät jag igen när han märkte att hon lämnat honom,hur hans hjärta förkrossades,åhhh vad jag tyckte synd om honom!!!! Jag ser också fram emot att läsa om Cliffs barn,jag vet att Alexi deWarenne har en bok,och jag ser så fram emot att läsa den,han är en 10 åring i "Piratens Dotter" och är en riktig buse,undrar hur vild han då är när han är en vuxen man!

Det var ett otroligt slut,och epilogen fick mig också att skratta.

Lisa Sellin says

Efter den gräsliga boken där allting gick dåligt kände jag för att läsa något som garanterat slutar lyckligt och haffade denna bok i kiosken på tågstationen i Östersund. Den svenska titeln var mer spännande: "Piratens dotter". Gillar man bultande lemmar och styva bröstvårtor i en historisk miljö och kan tänka sig att ta av genusglasögonen för en stund så funkår den. Man vet vad man får och hur det ska sluta.

Özgürlü üne olan dü künlü ü, vah ili i ve Cliff'in tüm bu özellikleriyle Amanda'yı sevmesi çok güzeldi. Cliff de tam bir beyefendi idi; zihniyetini kabul edebilece im bir beyefendi.
