Otolaryngology--Head and Neck Surgery: Rapid Clinical and Board Review Matthew L. Carlson , Kathryn M. Van Abel , David L. Archibald , Daniel L. Price

This well-organized text for rapid clinical and board review contains high-yield facts using a question and answer format that covers all subspecialty topics in otolaryngology. It combines clinically relevant facts with hard-to-remember, commonly tested details and presents them in an easy-to-follow layout that allows clinicians to quickly review large amounts of information.

Key Features:

More than 9,000 high-yield questions and answers, half provided in the book and the other half online
Portable
for quick reference during downtimes such as in between rounds or while traveling
Clinical pearls on patient evaluation and management

This review book is a must-have for residents preparing for in-service exams or initial board certification exams as well as seasoned clinicians studying for their MOC Part III re-certification exams.
