Divanny says

I have never read this book and I could not stop reading it because it too full with information that no one knows the truth about. What made me read this book was because I have been hearing a lot of rumors about him right now that got to my attention so that for the future when people talk about his death I would have facts to tell them on how things really happened.

Lit

Patrick says

For me it's the best rapper in the world because positive wrote songs for us.

Raymundo says

it the best book i read

Saeed Shawasheh says

It was great
