The Kobayashi twins, Megumu and Mitsuru, were named after historical figures, but only Megumu has grown up with a taste for history. So when Mitsuru is in danger of losing his weekends to extra history classes, he convinces his sister to swap clothes with him and ace his tests! After all, how hard can it be for them to play each other?

Chiharu Uesugi's devious ploy to use Megumu against Aoi has only brought the lovebirds closer together. And it's also given Megumu an intriguing glimpse into Uesugi's past with her boyfriend. Can she figure out how their friendship went sour before Uesugi tries something even worse?!

Guyline Boisvert says

Finally the story focused on Mitsuru and Kobayashi. It was a nice balance between both twins love story.

Sarah Holl says

=D its so cute it hurts! >u*

Tasha Birckhead says

I could not put his one down. This has lots of surprises and a fantastic fight seen. However, no all is well in lala land when a new love rival arrives on the scene.

Sara says

I can't wait for the next volume!!!!

Rebecca says

The title does not lie - even when it's being "dramatic," this series is so cute your teeth will hurt...and it's absolutely addictive.

Soobie's scared says

This volume is focused on Azusa. And yeah, she's becoming a very interesting character: she's both sweet and strong and she can defend herself. The scene where Mitsuru and her fights the pervs. That was so funny.

The part about Mego and Aoi was slightly less interesting.

I'm looking forward to volume #9.

Nidah (SleepDreamWrite) says

Good volume.

Beckiezra says

3.5, good resolution of the stalker story, finally some movement may happen in Mitsuru and Tokugawa's relationship, predictable misplaced declaration of love by Uesugi. The author notes say big things are coming in the next volumes, I'm not dying to find out but if the library has the volumes I'll check them out.

Kristen Mirek says

I dunno ... the first 3 of these had me hooked! All your squishy inside bits really did hurt from all the cuteness and I loved all of the characters. Since then, the volumes have been a bit hit or miss. I think it might have simply progressed too fast and the author isn't sure what to do with everyone now. This latest volume was ok, had a cute bit or two, but overall not as engaging as earlier volumes. I have the next volume on hold at the library though so we'll see if it picks back up.

Mary says

Mitsuru and Azusu - you two actually like each other. Now kiss. Aoi try telling Megumu everything and maybe your old friend won't pose a "threat." Why does no one ever talk to each other? Oh yeah, because then the story would be over.

Evelyn says

Uesugi has Megumu in his clutches and something tells me he likes her...at least a little. Hopefully it's not for some super sappy reason. Who am I kidding? It's a shojo, they're always super sappy.

Meanwhile, Tokugawa is awkwardly trying to earn Mitsuru's affection with food, but her attempts are...lack luster. She's also being stalked by a super creepy weirdo.

This series has 15 volumes.

Brittany says

Megumu Kobayashi is caught in an evil plot by Chiharu Uesugi, who is intent to destroy Aoi Sanada for reasons still unknown. Unfortunately for him, his plan backfires and brings Megumu and Aoi closer together. Mitsuru Kobayashi and Azusa Tokugawa are still battling their way through their feelings for one another as once again they must defent Tokugawa from those who mean her harm.

I thought this volume was adorable and on par with the others, especially when it comes to the storyline between Azusa and Mitsuru; however, I can't ignore the fact that at the beginning of this novel there is a threat to rape Megumu from Chiharu that definitely did not need to be there. I don't care if the character

"never would have actually done it" the fact that it was put in here as a plot device really bothered me.

Nerys Medina says

I'm used to the author's style, so all cliches and over the top cheesy and cute parts(Come on, the title is pretty much tells you what this is about) are things that I just let myself enjoy.

This manga is one of my guilty pleasures that reminds me of the chessy shoujo stories I used to read frequently, including some of other works by the same author.

This is vol 8 out of 15, and new feelings start to blossom, rivals declare intentions and the main characters' feelings are really awww inspiring.

Jamie says

Chiharu's evil ploy gets part of the results he desired but Megumi has a surprise of her own that she counters him with. But his character is still a mysterious one. I really want to know about the past and why he seems to want revenge.

THE stalker mystery is resolved with shocking and amusing results. Confessions are made after all this time. Overall I am hoping this improves. This was still a good read but it really borders on just being so-so. It just didn't grab me. Seemed to have lots of filler pages or overly exploded pictures used to come up with a full volume.

3 1/2 stars

Judy (Geeky Reading) says

~4/5

(Contains light spoilers.)

The entire plot line with Uesugi is just bad, in my opinion. It's trying to be a new, cuter take on the dramatic romance (like Peach Girl, for instance). And sometimes it works.

Uesugi tries to take advantage of Megumu, to prove that Aoi is weak, and instead Megumu turns it back on him with a big speech. It's supposedly powerful, I guess.

There's also a lot of plot movement with Azusa and Mitsuru. Mitsuru is on the hunt to find her stalker, and they join together to fight them. Then the cliffhanger goes back to Uesugi making a move on Megumu.

Meh. That's what I feel for this series. Meh.
