## Carol says

Love the Steel men and it was nice to catch up with what was going on with them. Although with Carly and Jase even though I loved their interaction I hated all the political aspect of it. It's bad enough we have to live with it much less read about it.

As for the other stories that didn't include the Steel men I haven't read their stories yet so I skipped their little novella's.

Overall a quick easy read.

### A POLITICAL DIVIDE / 3 STARS

I'm sick to death of politics and I read to escape not get in a debate over which candidate is better. Carly was a bit of a thundercunt in this story and Mimi was a raging twatwaffle. Jase and Carly Steele are still married and crazy about each other. Little Bell is now eleven years old and Katherine (Kiki) is a toddler. Carly is pregnant again and she's become quite close with her deceased mom's bestie, Mimi who is a very active feminist. Carly and Jase agreed not to discuss politics in the house but that changes when Jase comes home and finds a Hilary Clinton sign on his lawn. Jase to Carly :

"YOU, CARLY SMYTHE, DID THAT. MADE MY HEART LOUDER THAN MY DICK. YOU ARE MORE IMPORTANT THAN COMING."

### KINKY KIND OF LOVE / 5 STARS

It's been three years since Bekah first walked into Forever Steel looking for a job as a tattoo artist. Zandor Steel fell head over heels in love with her mainly because of her southern accent and big tits. Bekah is now six months pregnant and she's already concerned about what they'll tell their child about their wedding day. They were married in Italy in a friend's playroom/dungeon and in the pictures she's tied to a St. Andrew's Cross. Plus she's worried about their playroom in the house which is currently in a spare bedroom. With help

from his wonderful, loving family Zandor fixes both of Bekah's problems in the most romantic way. This conversation between the Steel brothers had me laughing my ass off. :

ZANDOR - "When your wives gave birth, how did you not get hard ?"

JASE - "You are one sick --"

XAVIER - "She had a C-section."

ZANDOR - "I'm simply hoping to find a way not to want to lick it clean."

CYRUS - "Z, shut your fucking mouth. You'll be lucky to be upright."

#### HITCHED : STEEL COUNTRY NOVELLA / 3 1/2 STARS

Gage Falcon was screwed over by his ex-wife when she let him believe the child she gave birth to was his. He loved Brand as if he were his biological son even after he found out his real father was Gage's brother, Garrett. His ex-wife, Juliana is now married to his brother and Brand is aware who his real father is. Gage never thought he'd want to get married again but then he met Phoenix and fell madly in love. They're now days away from getting married and Phoenix's Mother is driving her crazy. Mande is best friends with Phoenix and she also happens to be in love with Grayson Falcon, Gage's brother. Grayson has a huge surprise for his fiancée that he plans to give her after Phoenix and Gage's ceremony is over.

#### A ROCKERS DREAM COME TRUE / 4 STARS

Memphis Black is the lead singer/guitarist for Steel Total Destruction (STD) and the band is more successful than ever. He proposed to Tallia eight months ago and she hasn't mentioned setting a date yet. He knows Tallia is too sweet and caring to bring it up because he's been so busy lately. He loves her so much so he plans a beautiful surprise for her in Greece. MEMPHIS' THOUGHTS (When he sees Tallia walking down the aisle in the wedding dress he bought for her.) :

WHEN SHE WALKS OUT IN THE LONG, FLOWING, WHITE DRESS I PICKED OUT FOR HER, MY BREATH CATCHES IN MY THROAT AND MY LUNGS BURN. SHE IS EVEN MORE STUNNING THAN I PICTURED WHEN I ORDERED THE DRESS. MY GIRL NEVER NEEDED FANCY CLOTHES OR MAKEUP. SHE DIDN'T NEED TO TRY TO STAND OUT IN A CROWD TO CATCH SOMEONE'S ATTENTION, SHE CAUGHT MINE. HELL SHE DIDN'T IT, SHE CAPTURED IT AND I NEVER WANTED IT BACK.

Who says you can't go home again. I loved the Steel's the first time I read them and look forward to any chance of reading them again and again. To see how their families have grown, to see their love for each other has only gotten stronger and to remind me of why I fell in love with them in the first place. Steel Couples does just that. Zandor, Jase, Memphis and Gage are all amazing just as the women they are married to. These short stories gave us a taste of what they have become years later. Now maybe we can have Cyrus and the others in a next one. A truly enjoyable collection worth their weight in gold.
