NIV True Images, the only NIV Bible designed specifically for teen girls ages 13 -- 16, is for real teenage girls with real lives. Packed with edgy graphics, personal notes, cool quizzes, challenging insights, and open discussion about the realities of life, this Bible is designed to help you build a closer relationship with God. NIV True Images is as sincere about your walk with God as you are, helping you discover his will for all areas of your life, including relating to your family, dealing with friends, work, sports, guys and so much more. Whether you are reading the reality-based 'In Focus' stories about real teenage issues, drawing encouragement from 'Love Notes From God, ' or letting 'Truth or Dare' challenge you in practical ways, what you will value most is discovering how deeply God is involved in your life: laughing when you laugh; grieving over your tears; listening when no one else seems to care; smiling because you delight him; and loving you through thick and thin

This is an amazing book. I love reading it so very much every night I read it. It's my sense of truth after every day.

A fun Bible for teen girls. The fun designs make it easy for kids to be seen by their non-Christian friends with it and not be embarrassed. (not that they should be, but you know how it is) It also can start discussions with friends because it's so pretty and fun to look at.

It has fun quizzes that can tell you things about yourself like your spiritual gifts. It also has stories of teen girls and what they discovered by reading the Bible.

I think it lacks important things that are included in study Bibles, however. I think it would have been helpful to include some contextual information, especially in the Old Testament.

I got this Bible when I was 12, and I adore it! I love reading the Mirror Images (It's about time people took notice of the women in the Bible!), InFocus, Truth or Dare, LoveNotes, and Genuine (Love, Forgiveness, ect,.). It has anything you can think of from a Biblical point of view, from dating to devos, and a LOT more. It is a beautiful Bible, perfect for the teen girl.

{I haven't finished it yet but I just decided to put it in this category.}
