## Batman #3

*Scott Snyder , Greg Capullo (Penciller)*

**Batman #3** Scott Snyder , Greg Capullo (Penciller)

As Bruce digs deeper into the mystery of the recent owl murders, he soon finds himself face to face with a shocking enemy – an enemy the Wayne family has secretly been at war with for centuries. Be there for the first shots of the war for the soul of Gotham City. Friends will become deadly enemies and secrets will be revealed – revelations that will change the Bat-family forever.

## From Reader Review Batman #3 for online ebook

### ellemaddy says

review to come.

---

### Ryan Mishap says

I get these monthly but I'll review the collections as they come.

I wouldn't say there is anything new, exactly, in this version of Batman, but there is something to be said for focusing in on the things that make Batman great. As the story progresses, however, the bottom falls out for Batman and the reader as we find that something new was coming after all. I'm being vague on purpose to not give anything away--although its daft to think I need to review Batman for anyone out there anyway (you already read this or you never will).

---

### Rob says

Great reveals throughout.

---

### Sana says

[nothing better happen to Bruce, i swear to god (hide spoiler)]

---

### Rana says

Though the previous chapter was little soapy and incomprehensible. This one fixes it all. Seems that the story behind the Owl is pretty interesting after all,

---

### Amina says

They're watching you, all the time, they're everywhere, even in your homes, right under your feet..  
It's getting more and more exciting!!

---

### Dennis Geoffroy says

It was interesting to see the Court of Owls conspiracy grow.

---

**Mohamed Khaled Sherif says**

?? ?????? ?? ?????? ??? ?????? ?????? "?????" ??? ??? ?????? ?????? ?????? ?????? ?? ?????? ?????? ?? ?????? ??????..  
????? ?????? ??? ?????? ?????? ?????? ?????? ?? ?????? ?????? ?????? ?? ?????? ?? "?????" .. ?????? ?????? ?? ?????? ?? "?????"  
?????.

---

**mike andrews says**

Great series

---

**Steven says**

Battle with the Talon

---

**Stella Chen says**

Plot advancement.

---

**Ahmed H. Mansour says**

" I'm not afraid of ghost stories...and you shouldn't be either. "  
My god...I'm getting obsessed with batman one book after another...Let`s just forget about the bloody  
movies :)

---

**Ariana says**

Scott Snyder is doing well.

---

**Adriana Bonilla says**

Wow. The court of the owls was more influential than he thought. Than I though

---

**Peter says**

4.0 - A great issue unravelling the mystery that felt stuffed with content. Some of the 13th floor revelations toward the end were a bit easy to race through - not a lot of specificity in the narration, though I'm sure there were some hidden clues in the art.
