**The Wedding Clause** Debbie Raleigh

A GAME OF CHANCE

Molly Conwell's life has been quite unremarkable-until she learns the startling details of her late employer Lady Woodhart's will: The sum of 30,000 pounds will be divided equally between the deceased's grandson, Viscount "Hart" Woodhart, and Molly if they wed. If one or the other fails to appear, then the present party receives the entire fortune. Molly has no intention to wed Hart, but if she inherits the money she could help her brother regain his proper place in Society. Besides, she's convinced that her prospective groom, who has always accused her of being a fortune hunter, will not present himself. As Molly embarks on a daring charade, she discovers a fierce opponent in Hart -and an even fiercer desire for this dangerously handsome man who may prove impossible to resist...

## From Reader Review The Wedding Clause for online ebook

### Kim Power says

#### A Truly engaging story

The battle of wills between hero and heroine sees sparks flying on a regular basis. The plot twists are novel and the characters delightful. Terrific story.

---

### Englishrose says

I think this is a delightful read. I love the play between the two main characters. The ways they devise to try to get the other to cry off always make me laugh. The romance and situations are believable and leave you feeling good. Good side characters really make up the plot and story and fill in the gaps. I would recommend this to anyone with a little sense of humor.

### Gmc says

The Wedding Clause by Debbie Raleigh.

Lady Woodhart's will Has Molly her companion in a dither. She gets half of 30,000 pounds if she weds her employers grandson Viscount "Hart" Woodhart and the entire 30,000 if he doesn't show up to marry her. He gets the same deal in reverse but he really doesn't need the money, but he believes that she is a gold digger.

### Dancer says

Molly Conwell's life has been quite unremarkable - until she learns the startling details of her late employer Lady Woodhart's will: the sum of 30,000 pounds will be divided equally between the deceased's grandson, Viscount "Hart" Woodhart, and Molly if they wed. If one or the other fails to appear, then the present party receives the entire fortune. Molly has no intention to wed Hart, but if she inherits the money she could help her brother regain his proper place in Society. Besides, she's convinced that her prospective groom, who has always accused her of being a fortune hunter, will not present himself. As Molly embarks on a daring charade, she discovers a fierce opponent in Hart - and an even fiercer desire for this dangerously handsome man who may prove impossible to resist...

Fortunately, this story features likable characters, as the plot (and the heroine's and her brother's repentance for their greedy ways) seems a bit sketchy, improbable and formulaic. This book came out in June 2005, and I purchased it at my local used book store.

### **Beth says**

Enjoyed it.

---

### **Lori says**

Light and fun.

---

### **Sandra R says**

Well written, interesting and I didn't want to put it down. Loved the main characters! A slow burn romance to the end.

---

### **Be says**

I don't understand the mediocre rating of 3.58! This book is fun, funny and fabulous. I enjoyed it very much! I wish every book I picked up was as good as this one. The Hero and Heroine were both stubborn and chose only to see what they wanted to see about the other. Just loved it.....ended so romantically! yay

---

### **Kirsten says**

In the forward, the author says this is reprint of one of her favorite books. The repartee and wit between the two characters who can only get the 30,000 pound inheritance if they marry each other makes this a much different regency romance. Also no irritating sex scenes....real romance, real hearts, and two characters who come to life more and more....and learn their pride and prejudice have blocked their vision. Molly is a solid, down to earth, practical lady, a nice change from all the belles in other novels. Enjoyed it "muchly".

---

### **Kim says**

Oh I love and have a weakness for a good clean traditional regency era romance where the hero and heroine go at it sparring in battle back and forth with determination because of their erroneous prejudices about each other and stubborn pride to only fall in love with just as much strength. This one definitely fit the bill \*sigh\*! This is a Zebra Regency Romance republished as an eBook under one of Debbie Raleigh's other pen names of Alexandra Ivy that she usually uses for her steamy titles.

Sensuality content: Clean traditional regency era romance. Kisses only. The hero invites an courtesan to the theatre as part of one of his plans to intimidate the heroine. The hero ignores the courtesan and she leaves before the performance starts, because of that among other events that evening.

Source: My purchased library. Read the sample and couldn't help myself.

## **Kathy \* Bookworm Nation says**

\*Update- Just saw this has been republished and is now available for Kindle (under authors other name Alexandra Ivy) yay!

I really enjoyed this one. It started out great, lots of tension between Molly and Hart. I actually would have liked if their dislike for each other was stretched out a little longer. It was entertaining seeing how they were trying to get the other to back out of the marriage contract. Hart comes across very heartless when the story opens, he slowly warms up though and ends up being a great leading man. Molly was pretty consistent throughout the story, very likable. I liked that she had high morals, very loyal and kind. I also liked that she had spunk and didn't back down from Hart. Again, I would have liked more of their "fighting" before their feelings change. I enjoyed that this was lighthearted fun, the story moves along quickly and the characters are engaging.

Content: Clean romance. Some swearing.

---

## **Karen Kirst says**

Regency romance is one of my favorite genres. I enjoy Debbie's writing style, the emotion she evokes and her distinctly drawn characters. Loved the battle of wits between Hart and Molly. I was hoping there would be a book about Hart's cousin, Thorpe. I haven't yet seen if there is one or not. Definitely recommend.

---

## **Megzy says**

Easy to read. Even though I love regency romance, I prefer Ivy's paranormal series.

---

## **Stephanie says**

2.5 stars

Despite some fun hijinks and a cheeky monkey, this was entirely too saccharine-sweet for my taste.

---

## **Carol says**

Clean and funny romance, I loved the sparks between Molly and Hart. Quite a bit of swearing in this book.
