**To Stir a Fae's Passion** Nadine Mutas

*Love is the lure that could break her curse—or her heart...*

Growing up among witches as a rare and powerless male descendant hasn't been easy for Basil Murray. When he learns his true identity, he's all too eager to claim his own magic, but the tangle of lies that shaped his past might just kill him before he unlocks the secret to his powers—and the beautiful fae whose life he saves may be at the center of it all.

Fae bounty hunter Isa's days are numbered. The death curse she's stalled will soon kill her, unless she ends the bloodline of the one who cursed her. And of course that person turns out to be the striking male to whom she now owes a life debt. Even worse, Basil has the nerve to unapologetically fall in love with her—and make her crave what she can never have...

## From Reader Review To Stir a Fae's Passion for online ebook

### **Bibliophiler Booknerd says**

So diese Fortsetzung hat mir wieder sehr gut gefallen und überlest auf jeden Fall den Warnhinweis nicht. Mein eReader hat es gerade noch so über den Berg geschafft, konnte mich aber leider nicht vor extremen Schmachten und spontanem Umarmen retten.

Basil ist einfach zum Knuddeln und kann es sehr gut mit den anderen männlichen Hauptcharakteren aus den vorherigen Bänden aufnehmen. Auch Isa war eine wundervolle Hauptfigur mit der ich lachen, weinen und mitfiebern konnte.

Die Anspielungen auf Star Wars, der Hobbit und Herr der Ringe fand ich sehr toll gestaltet und habe mich einfach schlapp gelacht.

Die Perspektivenwechsel zu Merle, Rhun, Alek, Lily und so weiter, fand ich sehr schön und ich konnte mich wieder sehr gut in die Geschichte fallen lassen.

Ich mochte wieder sehr das Setting der geheimen Welt und ganz besonders die Handlung, die sehr abwechslungsreich und toll gestaltet war.

Ich kann das Buch wieder jedem nur empfehlen!!! Lest es!!!

### **Glenda Bettin says**

Great book

---

### **Raff Duk says**

hai capito il 'tranquillo' Basil... ù.ù

---

### **Wendy says**

I got lucky enough to read this book without ever reading the description of the book so I really had no idea what I was in for. With Nadine's books they've proven to be fantastic so why go in knowing anything. In this book we get just the right amount of insight into characters we already know and love and some furthering of a larger ongoing world. The focus, of course, is Basil and Isa and we have the pleasure of having their story unfold in an entirely new world for this series. I can't talk about favorite scenes without them being spoilers; let's just say I certainly held my breath. Can't go wrong with this Kick-Ass heroine and charming-kind hero not afraid to show his unflinching sexiness.

---

### **Vanessa says**

I glad we got Basil's story. He has seemed kind of out of place in the Murray family and the witches community as a whole and we finally find out why that is.

Hazel raised Basil right. He is protector at heart and he is caring and kind. I will be honest I saw Basil as

---

kind of nerdy and a marshmallow type of guy even considering he knew how to use a variety of weapons. He's a nerdy ray of sunshine and I enjoyed every second of his nerdiness. All those nerdy books and movie references killed me. I loved it.

Isa is a fighter and survivor and a bounty hunter to boot. She raised herself from a very young age and despite all her badassness she is still a woman with some soft touches that seemed a little out of place with her badassness at times.

There was no great romance just two people getting to know each other along the way and falling for each other in the process. It was funny and sweet all at the same time.

I enjoyed the pace of this story and how drama free it was. We got right to the meat of the story without the characters ridiculous reactions and the drama that they bring. It was a nice change of pace.

Mutas' unpredictability with her plot twists were welcoming. I don't think there was a time when I figured out the solution before it unfolded as I was reading which was refreshing. Mutas puts quite a few of her characters in conundrums during this story...some were fun others were not. I warn you now you will need something stronger than water to drink to get through chapter 10.

During the story the topic of the abuse Hazel suffered at Robert's hands came up and it was discussed. As it was discussed Hazel had various reactions to it from being hurt, angry, sad and even embarrassed. Hazel isn't the same witch she was back when Robert was still alive and I think it's important for female readers to see abused women make comes back after being abused. It's empowering to see someone over coming something so horrible and I am glad that Mutas included it in this story.

I totally enjoyed this book and I can't wait for the next one.

---

### **Sara Emme says**

Un altro bellissimo libro!!! Mi è piaciuta la storia di Basil ma sono anche felice che l'autrice continui a raccontare la vita di tutti gli altri personaggi.

Ho scoperto da pochissimo Nadine Mutas ma ogni suo libro mi sta piacendo! Non vedo l'ora di leggere il prossimo della serie!

---

### **Lakshmi C says**

I've been hoping to get into Basil's head since book 1 and his POV was written well.

What you need to know about Basil?

“You're a changeling . A fae changeling. Exchanged after birth.

We get an intriguing female lead - Isa, a fae bounty hunter.

Idiots. Complacent, that's what the royal court had become.

The massacre at the royal court was inevitable...

No, no..no!!!! That can't be the key to breaking the curse!!!!

Basil and Isa are extreme opposites

“Who raised you?” She kept walking, face turned away from him. “I did.”

“Because asking yourself ‘what will this cost me’ is the smartest way to stay alive.” “And the fastest way to a life spent alone.”

It's Revelation time - Your secrets won't stay hidden for long...( She spoke onimously )

As the humans say— an entire graveyard in their closet.” Basil snorted, then caught himself.

“Skeletons.” “What?” “The idiom is ‘skeletons in the closet.’”

The fae seriously hate Iron....No place for Iron Man

This book surprised me on many levels even though I was familiar with the series and most of the supporting characters.

This book gets 4.2 stars because :

### 1 Challenges

Our leads are in a rough spot - Basil is a Changeling, Isa is cursed and both are in mortal danger. He is optimistic with an agile mind, she is analytical and reserved.

### 2 Conflict

Each couple in this series has opposite goals, some secrets and need the other person to make progress. Walking away is not an option, the tension is high and hormones are clouding their decisions.

### 3 Stellar supporting cast

We get to see everyone from the previous books - Rhun, Merle, Arawn, Maeve and others.

Arawn gets half a star because he's still mysterious and unpredictable, Maeve gets half because she's recovering beautifully and had one of the most moving scenes in the book.

Rhun and Merle get one star because they are my favorite couple in this series and too good to be true.

### 2 Brownie baskets & a Special mention :

1 The writer gets serious about worldbuilding in this one and you are riveted. I forgot the romance at times but was driven to know if there will be a coup, who will rule the Fae next, are we standing on the edge of a paranormal Civil War, what is Arawyn and the list of questions goes on & on.

2 The writer subtly weaves in myths and backstory with the narrative - you are not abruptly pulled out of the action bit and thrust into a mindnumbing history lecture.

Nadine Mutas delivers another fantastic novel, I can't get enough of her storyworld and am waiting impatiently for Arawn's book.

I received a free ARC in exchange for a honest review.

## Andrea says

### It was a good read

Took me a little longer to get into this book where as the other books sucked me right in. But it brought in some new elements and makes me wonder where she's going to go with the other characters.

## A Hopeless Romantic's Booklandia says

I recently discovered Ms. Mutas and when I saw that *To Stir a Fae's Passion* was coming out soon, I couldn't wait to read it! It is the first book of hers that I have read and I can tell you right now that it will not be the last. I absolutely LOVED *To Stir a Fae's Passion* and I need to read the other books in the *Love and Magic* series like now!

I liked Isa from the moment I met her and I only liked her the more I saw of her. She's strong and tough and she just has this quiet, calm air about her for the most part, but she really comes alive the longer she's with Basil. Isa is kind and she has a good heart. I really felt for her and I was rooting for everything to work out for her. I really loved Isa - she's wonderful!

And how could I not fall for Basil?! He's funny and playful and a little goofy and silly, but in the best ways. Even when his world has been turned upside down, he still maintains his positivity and light and keeps a smile on his face. Basil is sweet and open and true - it was impossible not to love him. He is utterly delightful and I know he'll steal your heart just as easily as he stole Isa's and mine!

*To Stir a Fae's Passion* is told from multiple points of view and whenever it would switch from Basil and Isa's POV to one of the other characters from the previous books, I wouldn't want it to at first, but then I would be sucked in and when it switched back, I would wish it hadn't until I was captured by Basil and Isa again and the cycle would just repeat. I loved that no matter whose turn it was to talk, I was totally invested in what was happening to them and never got bored or confused. *To Stir a Fae's Passion* made me laugh, brought tears to my eyes, made my heart ache, and made it melt. It was a beautiful, magical passionate ride that I'm so glad I got to be a part of. I can't wait for more to come from this series and from Ms. Mutas in general!

*To Stir a Fae's Passion* can be read as a standalone, Basil and Isa get their happily-ever-after and I'm SO excited for the next book!

~ Sonja, 5 Stars

## Jennifer says

The best part about this book were the scenes with Merle and Ruhn setting up Maeve and Arawn's story. While Basil and Isa's story started off strong, it just kind of fizzled and I skipped through most of their story to get to the Merle and Ruhn sections. Basil just wasn't a very clear character in the previous books, which failed to forge a connection to him, then my suspension of disbelief was taxed a little too much. Read for the set up for the next book.

## Concetta Vargas says

carinissima questa saga.  
mi sta piacendo tantissimo

---

## Lacy says

### I really love this series

It was so exciting going into Faerie, right from the start some bloody good action and it only kept getting better. Basil is so cute, I always knew there was something different about him. There was a really HOT scene that made me feel things? ,damn was it good. I'm glad we are still getting to read about Merle and Rhun and what's be going on with them. I really liked Baz's story but I can't WAIT for the next one.

---

## INLOVEWITHBOOKS says

Giusto ad una settimana fa che lo iniziai questo libro, quest'oggi l'ho terminato e devo dire che è stato come sempre tanto bello e scorrevole quanto rilassante e in alcuni tratti divertenti, però rispetto ai primi due mi ha coinvolto di meno, certo ci sono state parti che cercavo di capire chi fosse Tallak e Câlâr e quali erano i loro scopi, oltre a conoscere più a fondo Merle e Rhun e di ciò che hanno scoperto in questo libro e dovuto subire per via del patto con Arawn.

Basil ha avuto una grande battosta nel scoprire realmente chi fosse e come si sia recaro senza alcuno aiuto a Faerie per riportare indietro Rose, i due da neonati sono stati scambiati... le fate su questo non cambieranno mai, amano scambiare bambini che "per loro sono malaticci" con bambini umani forti facendoli crescere come bambini fatati... ma non è ciò che avvenuto tra Rose e Basil, loro sono stati mezzi di scambio per il potere nascosto del ragazzo... una vera crudeltà da fare per una madre, eppure Hazel lo ha sempre e ama ancora il suo bambino. Da Basil ho capito che farebbe qualsiasi cosa per la sua famiglia, nonostante ciò che ha scoperto, poi è stato divertente quando ha incontrato Isa e le nominava spiegando Star Wars, il tipico nerd che si ama e da cui ci si sorprende.

Isa da canto suo è sempre stata restia ad innamorarsi per ciò che ha avuto in passato, ma ogni fascino ha una conseguenza e ciò vale anche quando incontra Basil; il loro incontro è stato piuttosto divertente e hanno incominciato a collaborare insieme scoprendo le cose dell'uno dell'altra anche se un po' di meno fino a quando non vengono raggiunti da Câlâr e si intravede quale sia il suo scopo

Verso i capitoli finali sono stata in ansia e sotto shock, con Basil che non poteva far nulla nel contrastare il potere di Câlâr e con Isa che stava inerme a terra e in tutto ciò pensavo:"Qualcuno lo fermi, dannazione!"

Non vi dico altro, solo tutto è bene quel che finisce bene

4,5??

## Rosalie Redd says

Another great book in the Love and Magic series! Basil and Isa's tale of love and romance takes you on a

---

journey as they discover themselves and each other, growing together despite the odds stacked against them.

The author has a wonderful way with words and the love scenes are vividly rich and deliciously yummy. A wonderful book for any paranormal romance reader. If you like demons, witches, fae, and other magical creatures, this series is for you! Join Nadine as she takes you on a ride of love and magic...you'll be amazed!

---

### **Irena says**

I received an ARC for an honest review.

I enjoyed the previous books in the Love & Magic series and was not disappointed with Basil's story. I loved his journey of discovery. Nadine fleshes out her characters nicely without overdramatising things, there isn't an overabundance of angst or misunderstanding between the lead characters. We got to see Basil's strength in his journey of discovery without him losing his sweetness and charm. Isa was a strong character without being a ball buster and they made a great pairing. I enjoyed seeing the continuation of the storyline of characters from previous books and as always loved Rhun's cheeky snarkiness.

I look forward to the next book.
