A Perfect Plan Terri Marie

Parker and Russell Davis, identical twins, were used to swapping places in the business world, but drew the line when it came to fooling women. They're successful, rich, sexy, and used to tackling any problems that come their way.

But when a beautiful woman shows up threatening to ruin their plans for a big business venture, the twins know they'll have to break the rules.

Emily Carson isn't going to stand by while Davis Enterprises destroys her grandfather's land. She's willing to do whatever it takes to stop them. The fight is definitely on, and her hatred for Parker grows each day...or is it Russell?

Parker comes up with a perfect plan. He'll have to go out of his way to keep his real identity hidden from her. Pretending to be his brother is easy. Stopping himself from falling for the beautiful Emily is impossible...

A Perfect Plan (A Billionaire in Disguise #2 by Terri Marie

SEXY DOUBLE TROUBLE

I have to say I was pleasantly surprised with this wonderful love story. This is the second book I have read by Terri Marie and I am completely hooked!!

What a great way to use twin hotties!! The right amount of humor, drama, sex appeal, & suspense... I totally laughed out loud and many parts of this book... Here's to strong and witty young women... Loved Emily and Rhonda... my kinda girls!!!

Of course Parker did piss me off numerous times, thank God he pulled his head out of his ass right when he needed to... And not a moment too soon!!

This was #2 in her "A Billionaire in Disguise" series... Forbidden Disclosure being #1 AND FREE.... this one is only \$2.99... small price to pay to be whisked away by an excellent story...

Thanks Terri for sharing the Davis boys with me.... Mmmmmmmmm.... so hot!!

This is the second book of the author's billionaire series that I have read. I loved the first book but I was afraid that this one would be more of the same. I was pleasantly surprised to find out that this story was vastly different from the first. I was even happier with the strong female character of Emily who is at the core of the storyline. The author did a great job of developing the romance between Emily and Parker. Mostly importantly we saw fundamental changes in Parker as he allowed himself to change from a ruthless businessman to a more compassionate man. This is a great romance with good lessons. I highly recommend this book.

Another great book by Terri Marie. It was a great story between Parker and Emily. I really liked the twin factor. A great book and a good read

Gina says

I really like this book -- the characters the development of the story.....but..... the ending, while it was HEA it was so rushed! I loved how Parker and Emily's relationship started and finished. Parker went from a "meanie" to a "sweetie". The banter between Emily and Parker and even his twin Russ was enjoyable. As I said the story was great -- I just wish the ending had just a bit more.

This is a fantastic book. I fell in love with the characters, could not put this book down, I got caught up in the emotions and went from being sad to mad and boy did I want to hit Parker and then felt sorry for him. They way he tries to right his wrongs was emotional and funny, and I loved the ending. Moving on to book 3

Love this book. Emily is a headstrong women who will do anything to hold on to the only place she has ever called home. Parker will go to all lengths to get the land that he wants, including posing as his twin brother. Who would have thought that two so very different people could find the happily ever after they both deserve

What a fantastic book by Terri Marie! This is book 2 of billionaire in disguise series and I LOVE IT! I enjoyed the "war" going on between Parker and Emily. I think it's hilarious. Complete with romance, drama and humor, this book captured my attention from start to finish. Highly recommended and a great addition to the series.

Colleen says

Good book. Twins should never switch identities and think they won't get caught.

Shannon White says

Such a good read. I love a story of anyone who's afraid to love overcoming obstacles to reach what they felt was unattainable.
