Great series

Just when I thought I would have no more demonsouled series to read. I find he has written more. Hurrah. I cannot recommend this enough 10/10. I have never been into charging knights but I loved this series. The characters were real, the stories were gripping and i always wanted to read more. Read these books you will not regret the hours you lose in this authors world?

Excellent read

I really enjoyed this series. Each book was long enough to be worth it and there were just enough plots and sub plots to keep me going

Soul of Swords (Demonsoiled Book 7) Review

Dear Jonathan, since this book is the last book in the series, this review will also be for the whole series. This series was excellent and definitely interesting. I enjoyed reading it and particularly enjoyed the entertainment and creativity involved. The characters and plot lines were entertaining and wonderful. As I have started in previous reviews, this series is definitely adult material because of many factors already previously discussed. I highly recommend reading this series to adults interested in reading an excellent story. I was particularly happy that the series was complete as I now don't have to wait for the next book, which is distracting and frustrating. I am still waiting for the next book with the Jack March character. To all who have never read any stories by Jonathan, please consider doing so, you won't be disappointed. Thanks for the entertainment, Jonathan.

Epic Finish

This is the final book in the series and it's absolutely fantastic every page is full of adventure and great characters. The final confrontation between Mazael and the Old demon leaves you breathless. A magnificent conclusion to a tremendous series

H.M. says

This book went out with a bang. It was an emotional roller coaster at the end. I recommend the entire series to anyone who wants a fast-paced adventure.

Donna says

I enjoyed this series very much. I would like to think that Mazael will have peace and prosperity but since there are three more books published involving him, I imagine there are more conflicts in his future.

I thought the ending and fates of Lucan and the Old Demon were satisfactory. I felt the solution was quite novel and something I would never have thought of.
