Good Girl Gone Bad (Dirty Debts Book 1) Carmen Falcone

Lily has always lived up to her preacher father's expectations of how she should behave, but all that changes when a hot stranger walks in to her hair salon and a feral need to have him takes over her common sense. On a whim, she screws him in the supply room, caving to a desire that only grows with each kiss.

When she learns he's the billionaire alpha who wants to boot her out of her business for the sake of his own, she's livid. But the pulse between her legs never got the memo. Things heat up even more when he offers her a naughty proposal that's going to make this good girl stop thinking twice about being bad...

Christine Glover says

I loved this sexy story! The hero and heroine are perfect matches for each other and oooh... so spicy! This story has the entire package: compelling characters, a fabulous sexy storyline and more... the happily ever after is believable. :)

Jodi Linton says

Deliciously, fun. A quick, delightful read where two people find their HEA in the most unexpected places. Grab a copy and put a smile on your face!

Ebony says

Definitely a must read!! I could not put it down until it was finished!!

Monique says

Marco Giordano needs to convince the hair salon owner to sell, he needs the location to build a garage. Trying to find himself a fiancée to please his ailing grandmother was complicated enough without having to deal with this Lily Jenkins person's stubbornness. A client entering her salon put a stop to Lily's musings, and when she looks at him, he takes her breath away. Everyone is welcome, she needs the business, but was she expecting him? When she mistakes him for a client, Marco goes along with it, but the sparks that fly leave them both stunned and aching, and Lily throws caution to the wind, and they end up having a quickie in the supply room. She doubted that he usually patronizes her type of salon, and when she asks him, Marco knows his answer will not go down well with the lovely hair dresser.

Carmen Falcone knows how to make things hotter than hot, and GOOD GIRL GONE BAD has to be her hottest ever! Yet, it is a marvellously sweet story that will give you little shivers of happiness at how lovely Marco and Lily act towards each other, regardless of the scorching sex. Lily and Marco fall in unstoppable lust nearly at first sight, and I had no problem with this as the romance took a while to fully develop. I loved Lily and Marco's conversations, as well as the banter between Lily and her mother; such brilliant yet simple dialogues. Marco had a heartbreaking backstory, which justified his reluctance to commit. Carmen Falcone knows precisely just how far to push the boundaries, she made me care, she made me all hot and bothered, and the glorious ending to GOOD GIRL GONE BAD made this super hot story all the more satisfying. We all need this man who will bring us lilies ...

I voluntarily read and reviewed an advanced copy of this book. All thoughts and opinions are my own.

♥ WishfulMiss ♥ says

This was definitely a scorching hot erotica with a bit of romance and intrigue thrown in the mix to keep things lively.

Marco's 89 year old grandmother is not long for this world and he thinks that faking an engagement will ease her passing. When he meets Lily there's no denying the explosive chemistry between them and it seems she would be perfect for the role of his temporary fiancée. That spontaneous rump in the supply closet pretty much seals the deal.

Lily is desperately trying to cling to her mother's struggling hair salon. Marco offers her a deal she can't refuse. One month of playing the loving fiancée for his family and all the amazing sex she could possibly want and in exchange, Marco will pay off her mounting debt and won't turn her salon into an upscale parking garage. It's a win-win.

But two weeks of close proximity, surrounded by family and friends and suddenly their little charade isn't as simple and easy as they predicted. Emotions start mugging the waters and Marco's past rears its ugly head.

I liked parts of this - I thought Marco and Lily in the bedroom were amazing :) It was naughty and sexy as hell and still managed to be sweet and romantic. It was a complicated combination but well executed. It was the second half of the story that dragged a bit for me. It felt like Marco compared Lily one too many times to his ex Angelica. He appeared so hung up on this sweet and gentle OW and second guessed how he handled their relationship. Which to me felt a bit like undermining the fact that if things had changed, what he had with Lily would never have happened. This kind of inner struggle that revolves around OW/OM is a huge pet peeve so I had to make an effort to cut Marco some slack.

Memorable Moments:

I loved Lily's parting shot to Marco, call me vindictive but he so deserved it!

"I was always okay with you being broken, but I'm not okay with you being a coward."

I literally wanted to give her a standing ovation for this moment. I related to her in the moment. She was hurt and vulnerable and heartbroken but she was still strong enough to speak her mind and in a way make a last ditch effort to make him see what he was throwing away by being stuck in the past. I'm a sucker for a broken/damaged hero but all too often heroines let their Heroes get away with too much. The fact that Lily calls him out and doesn't give in silently was awesome!

Memorable Moments:

The Gotham/Batman role playing between them was silly but showed a more easy going Average Joe side to Marco. He let down his walls with Lily enough to have a sweet playful side to him. The fact that he remembers Lily's love of all things Batman was adorable.

Favorite Line:

"If I have a devil dick, you have a heavenly pussy."

Cheesy but it somehow worked for this two, Lol!

Would I recommend?

This was definitely on the hotter/naughty side of erotica and would definitely recommend for those that don't mind instant sexual gratification before deeper emotions develop and if you like your smexy times with a little raunchy kink, this one might be right up your alley.

Heather andrews says

Lily doesn't hold back she doesn't mind lashing out at Marco if the man deserves it, "...I came here to act as your fiancée, not to be treated like a Christmas ornament you only look at when you have to use." Marco was closed off at times, but then there were other times when the man surprised his woman by being honest, "I want to get inside you, on top of you, under you, but never, ever, over you." I liked thia book, it was kinky.

Dina Bushrod says

This book is from the authors new series, Dirty Debts, and is sooo good that once I started I didn't put it down till the last period. The story has great characters, both are serious, funny, sexy and filled with guilt. The heroine is trying to keep her families business afloat while keeping problems from her mother. The hero has tragic secrets from his past and has grown into a man who wants no emotional ties; so dedicated to this that he has no romantic or business dealings without a signed contract. He needs her property for his new venture, and she's not willing to part with a business her mother built up from scratch. He offers a solution that is hard to pass up, but she must sign a contract and any break of that contract will mean losing her business. She's a preachers daughter and has no intention of hurting her mother, but can she do what the contract entails? I do my best not to give spoilers so I've tried here to give the overall view of the story. But there is SO MUCH MORE in between the lines. This is one hot read and is for OVER 18 ONLY READERS; but for us lucky ones over the age, the book is filled with snarky humor, emotional sensual feelings so volatile that it hits the both of them right from the start. So if you like sexy reads filled with emotions and

humor, don't pass this one up.

Vashti says

Lots and lots o sex in this one.....but I needed this cause I just came of a depressing as hell book.Like this couple.

Anadosen says

Lily has always lived up to her preacher father's expectations of how she should behave, but all that changes when a hot stranger walks in to her hair salon and a feral need to have him takes over her common sense. On a whim, she screws him in the supply room, caving to a desire that only grows with each kiss.When I started reading I couldn't put it down I read the book in one day.Carmen is magnifysent writer.I cannot wait to read more of her books.Keep up the great work.You should definitely read this book.

Chris C - A Midlife Wife says

So sweaty!!

~~~~~

I love reading a Carmen Falcone book. I know that when I pick one of her stories up, it is going to be hot and sweaty along with an engaging story and interesting characters.

This book started off hot and did not let up. I am not saying this book was all about sex. It wasn't, but the hotness level peaks every time Marco comes in the room. Mmmm

A bit of family drama and some tender feelings tend to get in the way, but this story is a spicy read with the right about of heat balanced throughout. Another great one by Ms. Falcone.

### **Rhonda Ziglar says**

5 STARS FOR GOOD GIRL GONE BAD!! Love this sexy hot book with great characters. Lily and Marco have one steamy story to tell you, that will keep you flipping pages. Carmen Falcone know how to write hot as sin books with substance. I voluntarily reviewed an advance reader copy of this book.

---

### **Alexia says**

"Good Girl Gone Bad" by Carmen Falcone was so good that I couldn't to put it down. It was steamy HOT and definitely not for a teen reader. Lily Jenkins works in a hair salon and when billionaire Marco Giordana walks into the Salon to talk about his company taking over the business she didn't realize he wasn't there for

---

a wash and cut. As soon as she touched him they were both lost in their feelings. If you enjoy romance books you'll really like this book. If you enjoy reading erotica you're going to love this book.

---

### Urvashi says

Marco wants to buy a small, rundown strip mall, and all the owners have agreed to sell, except a beauty saloon owner, Lily.

When Marco goes to meet Lily and convince her to sell, she mistakes him as a customer. From the minute they lay eyes on each other, their chemistry is palpable. After spending a memorable time in the supply closet, Marco proposes a month long affair to Lily and in exchange he will not buy her saloon and pay off her debts. She also has to pretend to be his fiancée for his grandmothers birthday celebration. The chemistry between them is so strong that Lily agrees. What will happen after the month is over ?

Good girl gone bad is a HOT and sexy read. It has a sexy brooding tortured hero, a sweet and sexy heroine, a fake engagement, emotions and sizzling hot bedroom action. I thoroughly enjoyed reading this book and look forward to more from the author.

---

### Jenny says

I love this author's writing style. My only problem is she doesn't give me cute epilogues with lots of babies!

---

### Anne ·curlingtoesbooktalk· says

A *delicious* sexy contemporary from the author *Carmen Falcone* .

**Good Girl Gone Bad** is about a preacher's daughter on the verge of bankruptcy *and* losing her family-legacy salon and a billionaire *italiano* hotness propositioning her to a month of uber sexy and steamy times.

Although the premise shocked us with a bout of sexy scene *in the backroom of the salon* with the heroine being said to be a "*good girl*", this has been an absolute delight to read for me.

The sex scenes were not overly done, just a good amount of hotness to be still considered as a contemporary and not erotica.

Also has enough amount of drama to create a solid story without over-plotting.

With all of that, this is a great read.

Just don't connect the title with the heroine because I never thought, not even for a second reading this book that she's a "*GOOD GIRL*". Probably because she was a preacher's daughter? But that's just about it.

Actually, "*She's as bad as they ~~can~~ come.*" \*Snorts\*
