Erotic Horizon says

The Outcast (Silhouette Intimate Moments, No. 614) (Silhouette Intimate Moments, No 7614) by Beverly Barton (1994)

Layla says

Psychic heroine, naive and on the idealistic side vs tortured hero on the cynical and dark side :)
Cheesy dialog- the rolling your eyes kind

Farah says

I loved it !! The murder mystery was very interesting and the romance had a lot of depth. Elizabeth was a very unique character , I don't think I've ever seen a heroine like her before , she's strange but in a nice kinda of way , she's witty , strong and very kindhearted , the faith she put in Reece and her insistence on helping him was very brave of her. I was very impressed by her character. Reece was a wounded soul , someone you'd desperately want to hug and tell him that he's gonna be ok , he was a tough nut to crack but he was worth it. I liked both Elizabeth and Reece a lot , they fitted together perfectly. Sam was another character I admired a lot. **It was a very enjoyable read.**

Ayu Wirdha says

Kalo sudah baca After the Dark (Linda Howard) maka pembunuhnya sama persis, dari motif sampai dengan profesinya.

Suka melihat chemistry antara Reece & Liz. Bagaimana Liz's unconditional love bikin Reece ga bisa berlutik.

Phylisha Stone says

Good read.

3 and 1/2 stars

I would have liked to rate this book higher, it had a lot of good things going for it. But the story seemed to a little dry; not one of her better titles. Yet if you are a fan of Beverly Barton's and you are following her "Protector" series; then yes it is a must read. Because it has an essential character; Manda Munroe. I wasn't even aware that Sam Dundee was a legal guardian until I read The Outcast.
