From Reader Review The Works of Rudyard Kipling - One Volume Edition for online ebook

James Violand says

Mostly regimental in nature, the British Army tales in Imperial India show the "white man's burden." Quite arrogantly phrased but wonderfully written tales of barracks life and the tribulations of occupation in a dusty backwater.

sologdin says

Goodness, what a waste. Collection of imperialist narratives and soldierly nostalgias. The latter are presented in the form of ditties and ballads, annoyingly precise in end rhymes. I realize that many people consider his shorts to be Quality, but the subject matter kills it for me.

Eleanor Lux says

I thought I loved Kipling but this was just too much and went on forever so I quit. But now that I've read other reviews I think I'll search through the book and find his Just So stories

Michael Parish says

what can you say about classics..

Tash says

rated 3 for whole collection. some 5 stories in there. read in mcleod ganj

Mary E R says

I read the Just So Stories, from within this book, aloud to my student. The descriptive language, alliteration, and style make these stories a perfect example of a Pour quoi myth that teaches a lesson. Emulating the style of Kipling, my 6th students write their own pour quio myths in blank books and share them with our adjoining primary school.
