Well... I didn't plan on reading this at all but I just explored the area for English novels in my school's amazing library and this was what I've found. Don't get me wrong; there are other "more normal" genres than this...

Anyway, I skimmed this book in less than two hours and this is so far my more-than-favorite new adult book! Although there were lots of graphic, erotic scenes and flirtations among the characters, the overall atmosphere was not bad for me. I'll re-read it more thoroughly next time because I'm now so eager to live in the library. :)

From "Strictly Business" to "Strictly Enjoyable", I enjoyed this short read. I admire the fact that Mitch was able to recognize his mistakes and do all that was necessary to find himself and his way back to Regina. However, I am curious to see how Sir Drake and Victoria find their way back to one another in the next read!

Sensuous Novellas

All three authors have winners here / filled with compelling content. I moved from one to the other not skipping a beat - each as enjoyable as the other - well worth the money. All entertaining!!

Dorel says

I was happy that this book had 4 stories in it. I liked all 4 stories but my favorite was Story 2. In Story 2 I

liked the hot & steamy scenes. I loved Lessa son, he was so adorable. I didn't like Lonzell's mother. I really liked how Lessa & Lonzell stood up to his mother. In Story 1 I liked the hot & steamy scenes & I felt sorry for Mitch. In Story 3 I liked I liked the hot & steamy scenes & I felt sorry Elise. In Story 4 I liked the hot & steamy scenes, I liked what Jamal did, & I felt sorry for Jamal. I liked how this book introduced me to 2 new authors Cindi Louis & Kayla Perrin I can't wait to read more books by these authors.

I was instantly drawn to the characters from all three of these stories and it made me leaving wanting more it was worth the read. Ladies if you ever get the chance to read this anthology with all four of these sensuous novellas trust me its a book that you curl up in the bed and have a glass of wine or champagne beside you while reading this book its that good.

Great story from Brenda Jackson.....the

Brenda Jackson's story was the best. I wasn't drawn into the other three books that followed. The first story had me on the very first pages of the book.

Karen says

The love story between Mitchell Farrell and Regina Grant Farrell was a wonderful story that tells how being a "workaholic" can destroy a relationship. It also reveals how misunderstandings and lack of patience/communication can do the same thing "ruin a relationship". In the end, LOVE conquers all! Awesome read!
