Deception & Desire

Mina Carter

Deception & Desire Mina Carter

Being a demon prince ain't all it's cracked up to be. Caught between the human world and the demon one, Tiny, part-time bouncer at Moonlight & Magic, lives by his own rules. Mainly these rules revolve around keeping his head down and making sure none of his kind find out where he is... because Tiny's on the demons' most wanted list. Not because he's done anything, but because of who he is. Prince Seren Di Lakai Telosa to be exact, heir apparent to the Demon throne. And a hunted man. If his father's men find him, he'll be dragged back to court to die of boredom.

For the last three hundred years they've been grooming him to take over from dear old daddy. The only trouble is the stubborn old git could last at least another millennium. So what's a Demon Prince to do? Get a job at Moonlight & Magic, of course, and keep his head down. Unfortunately Tiny has never been good at avoiding trouble, and when the delicate looking bounty hunter vampiress Cassia storms into his life, he finds himself tempted to break more than his personal rules... Demonkind and the undead don't mix well, or rather, they mix too well, with explosive results.

Dawn says

Good book

An enjoyable fast read with tons of hot passion. If you're looking for a good paranormal lunch time romance this book would be great.

L M says

Book 3 in this series.

Tiny is another doorman/ bouncer in Moonlight and Magic. When he sees Cassie kicking vampire butt he realises she is a hunter.

Cassie takes care of three preying vampires then goes into Moonlight and Magic for a drink. Unfortunately they have a strict No Vampires rule. Tiny hustles her out of harms way, they have sex then go their own ways.

Vampires and Demons don't mix so how do these two end up bonded?

Neither can forget the other and when the bonding marks show up they find themselves in front of Tiny's father. Except Cassie did not know Tiny is actually Prince Seren Di Lakai Telosa.

This book ended a bit abruptly for me.

A lovely story but I think this book is way overpriced for how short it is.

Wendy coling (trowbridge) says

Best of this series I've read. tiny he great demon characture and caddis is vampire bounty hunter. In tiny way to help her he find his demon reacts and after one night they bond. So strong chassis is and she don't let anything rule her let alone a.man and tiny seems to get under her skin quiet literally.

Great read love the battle of wills between the two and the.dominating that goes on especially in the demon realm.

One to read nice one mina well written.

Mary Larsen says

Great short story

I really liked this story. It was really hot, but it was also full of love. It d how's love makes it easy to make hard decisions.
