Chosen by the Sheikh: The Sheikh and the Virgin\Kept for the Sheikh's Pleasure Kim Lawrence , Lynn Raye Harris

The Sheikh and the Virgin
by **Kim Lawrence Prince**

Tariq Al Kamal furiously forbids his brother to marry an unsuitable woman. Then Tariq whisks Beatrice away to his desert home where he becomes intent on seducing her. What he doesn't realize is she *isn't* his brother's intended—she's an innocent who's about to become *his bride!*

Kept for the Sheikh's Pleasure
by **Lynn Raye Harris**

King Zafir bin Rashid al-Khalifa does not care for surprises. Especially ones that involve the reappearance of his ex, Dr. Genie Gray! Now Zafir has the power to make all the rules—and what he wants is a willing Genie in his bed....

Michaella Redl says

Wonderful book! Funny. Romantic. Charming. Real characters that you can lose yourself in. I would recommend this book to anyone!

Sheryl says

5 stars for Lynn Raye Harris's contribution; Kept for the Sheikh's Pleasure!! LOVED IT!!!

Riverina Romantics says

The Sheikh and the Virgin

4.5 Stars

I LOVED this book. Loved it, loved it, loved it to pieces.

I'm a Sheikh whore. Can't get enough of them and this scratched the Sheikh itch I have been having lately.

Tariq was everything I fantasize a Sheikh to be - smart, broody, arrogant and sexy as hell. With looks to kill and a wash board stomach to boot. He was all kinds of yummilicious and I still find myself smiling about the bickering antics that went on between him and Beatrice.

It was all kinds of dreamy for me. Trickery, misunderstandings, lust at first sight and the inability to do anything about it.....but obviously they did.

I would have to say that this book would rate right up there with my favourite Sheikh story....may even nudge my favourite off the 1st place position.

I hope the second story in this book will be just as good.

Kept for the Sheikh's Pleasure

3 Stars

This story would literally have had to make me drool to beat the first story in this book. And although it made me smile a little....there was no drool.

Unfortunately it was a case of awesome book back-up. I read it straight after the sexy Sheikh book above and was still basking it all the loveliness when I started this one.

Yes, it was good, but is ice-cream truly great after you've have a double choc fudge nut sundae??

It was well written and I think I would enjoy more stories from this author but the start didn't engage me or give me the warm and fuzzies....the ending on the other hand was enough to bring my rating up to a 3.

THE SHEIKH AND THE VIRGIN 4 STARS!

I'm a huge fan of romance and I loved how the author brought two people who couldn't stand each other at first to lovers and then finally end up together and live happily-ever-after. And that's what exactly happened to Bea and Tariq. I loved them both. They were absolutely wonderful. I loved and enjoyed the banter that went on between them. There's an undeniable attraction between them even from the start. The dialogue between them cracked me up sometimes.. They were a mix of love and hate and that's what made the book enjoyable!

MelissaB says

Kim Lawrence - The Sheikh and the Virgin - 3*

The story was okay but the heroine spent most of the story deceiving the hero which is something that annoys me.

Lynn Raye Harris - Kept for the Sheikh's Pleasure - 4*

I enjoyed this story and plan on checking out more of this author. You could really feel the passion between this couple who had been lovers ten years ago before his duty tore them apart, but they still loved each other after all that time. They meet again after 10 years and can't help surrendering to their intense feelings again - but this time they make it work. The hero is a bit of an azz toward the heroine sometimes but that's par for the course in a Harlequin Presents.

willaful says

The dnf rating is more about my present inability to focus than the actual book, I think. I skimmed both stories and liked the first one enough to reskim it the next day. It's a fairly standard romance plot--the bare bones are essentially Faro's Daughter in a modern setting--but enjoyable in a standard way. The second story I couldn't get into at all.

Erin says

Great stories, I enjoyed the one by Kim Lawrence the most.

Great chemistry, strong heroines who know what's what. Sexy Sheikh Kings/Princes. What More could You want!

Really quick read but worth it.

Both stories were really good I really enjoyed them. Good Read!!!

AelixRage says

The Sheikh and the Virgin

This was an OK read, but the only solid character I found was Tariq. Maybe it was because of his own personality. I found Beatrice a little too "act first, think after". The whole story seemed too fractured for my taste, superficial mostly and I disliked that certain parts weren't written out as they happened but rather a hindsight commentary. Still, given the shortness of it, it was good enough.

Kept for the Sheikh's Pleasure

Strange, after all the other reviews I've read, I found that I liked the cohesiveness of this story more than the first one. The protagonists had an affair 10 years before and it was certainly something more than just a passing fling, though at that time, only the heroine knew the depth of her feelings. The hero knew it was something more, but he doesn't dare fathom the feelings but recognizes the connection between him and her. It was a good story, and I liked that the hero wasn't a total jerk. Perhaps at first, but he realized his mistake later on and made the "great gesture", probably the greatest possible in the sphere of the story.
