Search and Rescue Brad Vance

In Part 2, Sam lost his ass to Derek again – and loved it! Which left him wondering if he was gay after all. Maybe a three way with Jake and Eddie will help him figure that out... And when Derek calls Sam to get his help with a search and rescue effort, what sexual sparks might be generated if they clash again in a “threematch”?

I'm really glad I bought the collective volume. This one had even more plot in relation to the porn parts, and the ending was almost sweet.

Dan says

Another really good installment of the Sam's Reluctant Submission series. This one a bit hotter with a sexy dinner engagement and an underground dungeon.

Dee Wy says

Things are moving fast now as Sam explores his "possible" gayness with friends. His life seems to be transformed with his new understanding of his sexuality and introduction to the BDSM lifestyle with Derek. Good stuff!

Tully Vincent says

Didn't so much enjoy the threesome beginning with Eddie/Jake, but once it got to the Search and Rescue and then the Derek/Sam part, I was back on board. Unfortunately, found more editing errors in this one.
