## From Reader Review Superior Spider-Man #2 for online ebook

### Bradley says

Wow, Doc Oct is making the right decisions for Peter and MJ? Holy crap! Am I rooting for Doc Oct?

---

### Aldo Haegemans says

I like How peter is involved in all this. I get the feeling They want to portray Doc OC as a "smarter" spider-man and he figured there is no safe way for these 2 to be together

---

### Shaun says

Glad that there will be no MJ and Otto sleeping together. I think Peter and MJ should be together, but as it was at least prior to ASM #700.

---

### Davy Buntinx says

Interessante spin (hehe) op een klassieker.

---

### Keiter (iamK8R) says

AWESOME

---

### Anna Heidick says

An awkward issue but at least it dealt with the MJ problem early on into the series instead of dragging it out.
