In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at joosr.com.

Many start out in Network Marketing believing that their existing circle of friends and family will be enough to make their business a success, but this is simply not the case. Rather than running out of prospects and giving up, learn what it takes to take your career to the next level and discover how making the commitment to becoming a true professional can unlock your path to success.

In *Go Pro*, you will learn the importance of shifting your focus from "the sale" to education, and understand how you can save time and achieve more by leveraging existing marketing tools to win over your prospects. If you are truly ready to "go pro," these tips and insights will help you to change your perspective, nurture your prospects, and create the job you always dreamed of.

You will learn:

- What it takes to become a professional and achieve the high earnings you are after
- How to create interest in your business without having to sell forcefully
- How to create a more independent and successful network of distributors.
