The Swindoll Study Bible NLT Charles R. Swindoll (Editor)

The Swindoll Study Bible offers the best of Chuck Swindoll's wit, charm, pastoral insight, and wise biblical study directly to you as you study God's Word. Chuck's warm, personal style comes across on every page, and his informed, practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word.

In Chuck's own words: "This study Bible was designed with you in mind. As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the *who, what, where, when, why, and how* of the Bible: *Who* wrote it and *when*? *What* does it mean, and *where* did its events occur? *Why* should I trust it? And most importantly, *how* can I apply it today?

"It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical *insight for living* . . . for genuine life change. After all, that's why God has communicated His Word to us—so that we may become like His Son, Jesus Christ, the central figure of this Book."

Lynn says

Chuck Swindolls many years of experience and teaching brought to us on the pages as well. Each book starts off with an explanation of who, what where, when and why. The bonus here was "How do I apply this?". I was already learning and I was only on page one. The "living insights" helped me relate to what I was reading and the story is explained in a very helpful manner. There are charts and maps to further your understanding of what the Holy Word is saying. The "application articles" are so wonderful as we get to read Chuck Swindolls deep perspective on the book you are studying. The prayer moments are a special treat as I felt the Chuck was right there, praying with me as I walked the journey. I have had other study bibles, but nothing compares this one. I feel I am not only reading, I am understanding at a new level. This would be a perfect Bible for a new Christian as much as it is for the more advanced student of the Word. I highly recommend this for any and all of us journeying together in our faith. I was so graciously gifted this Bible by Tyndale house for a honest review.
