**Nathan Turner's I Love California: Live, Eat, and Entertain the West Coast Way** Nathan Turner Designer Nathan Turner's style is synonymous with the easy glam of California living. His first book introduced readers to his casual American style and chic design sense. Now, he has written a love letter to his home state in *I Love California*. This book is a journey up and down Highway 1 that takes readers from the redwoods of northern San Francisco, to the mountains of the Sierra Nevada, to the beaches of Southern California. Simple recipes and tips for entertaining are featured alongside never-before-seen interiors. Lavish photographs capture the homes, people, and food of each unique location in glorious, sun-drenched detail. This book even includes Turner's signature recipes for California comfort food, like his family's Cioppino, Marinated Tri-tip Steak, Mexican Chocolate Cake, and more.

More than just a design book, *I Love California* will appeal to all readers—whether they're entertaining friends and dining with family, or just wishing to visit the sun-dappled coast. As Nathan says, "The recipes and decor here are inspired by my home state, but really it's a state of mind." Now, you can create this dreamy California lifestyle anywhere.
