Scarlett Gibson only came back to Italy to help save her uncle's restaurant, Rosa. She never expected to run into her former flame Lorenzo Nesta again. Much to her dismay, Lorenzo is now Rosa's head chef. They must work together to save Rose from shutting its doors forever, but Scarlett is determined to stay cold and distant toward Lorenzo. The hurt and betrayal she suffered five years ago still remains fresh. Will Scarlett be able to find it in her heart to forgive Lorenzo and save the restaurant?
