Camilla Blake

Oliver Camilla Blake

Valerie Cole is a pediatrician looking forward to her summer break. She dreams of beaches and martinis, of good books and sunbathing. Instead, she finds herself coaxed by her charming brother into a working vacation, two weeks in a remote Mexican city where his nonprofit has just opened a free clinic.

Something goes wrong almost immediately, and Valerie finds herself locked in a dingy trailer in the middle of nowhere with a man she recognizes as an ex-con thanks to the tattoos that cover his body. He claims she was in an accident near his home, and that the storm that led to her accident prevents him from getting help.

Valerie thinks he's lying, but can't imagine what his motive might be. Is he a kidnapper, set on the ransom fund her father set aside years ago? Or is he really just the good Samaritan he claims to be?

Koren says

Vacation?

This was crazy and fast, hot and threatening -- and unexpectedly great! I was reading as fast as possible to see what was going to happen to Val. I was so happy and surprised by Oliver, nice work.

Blurb:

Valerie Cole is a pediatrician looking forward to her summer break. She dreams of beaches and martinis, of good books and sunbathing. Instead, she finds herself coaxed by her charming brother into a working vacation, two weeks in a remote Mexican city where his nonprofit has just opened a free clinic.

Something goes wrong almost immediately, and Valerie finds herself locked in a dingy trailer in the middle of nowhere with a man she recognizes as an ex-con thanks to the tattoos that cover his body. He claims she was in an accident near his home, and that the storm that led to her accident prevents him from getting help.

Valerie thinks he's lying, but can't imagine what his motive might be. Is he a kidnapper, set on the ransom fund her father set aside years ago? Or is he really just the good Samaritan he claims to be?

Will Decker says

This story was so good I stayed up well into the night to finish it. Excellent character development, great plot that never slows down, and very clean editing. It was a joy to read! I don't do synopsis', you'll have to read the author's blurb for that. But this is one well written romance with some serious passion and enough spice to keep your love buds happy.

Janet Johnson says

Loved it!

I was a bit confused ? at first but once I straightened it out - following Oliver around rescuing Valerie was INTERESTING! ? Catching the bad guys was cool. But I didn't trust that other fella! (No spoiler here - read it to see if you follow me and agree!) Thanks for sharing - your time, talent and story!

Brandy says

A twist

A criminal not really a criminal. Kidnapping and embezzlement abound. How does want find the support and love they want out of a former criminal? Read to find out.

Tracy Brant says

Wow this was impressive

I didn't know what the heck was going on even up to 3/4th through the book. I couldn't and didn't put it down. I kept asking myself "wha, what's going on here" it was so good and has so many good twists. Camilla Blake is a genius!

Patricia Trainer says

Excellent story.

I enjoyed the twists and turns of this story along with the chemistry between Oliver and Valerie. I highly recommend this book.
