### Breeze says

Can be a bit patronizing at times but all in all I adored this book. Main thing I learned: spirituality is like gravity, it doesn't matter if you "believe" in it, it's going to happen anyway. This book really made think and I very much appreciated that.

### Laura says

The same as the cards only in a book. A wonderful, powerful spiritual tool for all faiths.

Helpful mantras inside to guide meditation

### Vivian Probst says

I have always felt drawn to books that make the Divine feel real and present. This book provides names in Hebrew letters to memorize and carry with you through life. I am not a follower of Kabbalah or any other particular belief system but I appreciate aspects of all the bring me deeper into my soul. Very worthwhile,

---

especially with their card deck so I can pull an card and carry it with me when I need reassurance on any topic.

Palavras são conexões. Palavras carregam significados. Nomes são palavras especiais ppis tem significados especiais. Podem referir-se a uma pessoa ou no cAso da cabala, a uma energia. ### **Orion says**

Content was good. Layout was horrendous. I almost threw it out without finishing. Gray words on pink, white on gray, etc. Could only read by shifting book up, down, back, forth like some fun house trick. I would never have purchased anything like this.

### **Read It says**

Book that deals with the Kabbalah. Very powerful and some great quotes and examples in the book. I am a firm believer in Mysticism. 100% all exist. God, Spiritual and Universe. We are all one always. Nothing but Love and honor and nobility. It is a great book to read and always have. Kabbalah in reality will improve your life and everyday experience. Must have Book for all and a keeper. Follow the way of the ancient mystics OR Hebrew mysticism AND Egyptian Magicians AND YOU WILL FIND THE RIGHT PATH TOWARD THE ROAD TO ETERNITY AND FINALLY SEE GOD WHEN THE TIME ARRIVES. GOD IS EVERYWHERE.

### **George Araman says**

A must read, a must apply!

### **Alainee Coleman says**

I loved this book. I have never heard of this before, so it was very interesting to me. I found a "name" that really applied to my current situation, so I have been using that for meditation. Great book if you have an open mind about spirituality.

### **Rich Paz says**
