Cruel Conspiracy Helen Brooks

If Cord Lachoni thought that he could bulldoze his way into Aline's life, he was in for a big surprise. Thanks to her twin brother's recent activities, Aline found that they were indebted to Cord for the grand total of fifty thousand pounds! Only a ruthless businessman like Cord could think up such a merciless punishment that left Aline feeling hatred for the man. Not even the facade of his dark good looks and seductive charm could hide his cruel, uncompassionate streak. How long would it be till she was free to leave his clutches? She was counting the minutes...

Leona says

meh.....not one of my favorites by her. One of the things I most enjoy about HB is that she usually writes wonderful heroes that are intense, yet endearing. I found this hero very hard to like...let alone love. So for me, the heroine fell too quickly in love with someone that hadn't earned it.

I so hate when that happens.

Kay says

4 ½ Stars! ~ One of my favourite themes in a romance is one of the wrongfully accused and Ms. Brooks delivers a riviting one in this book. Our heroine Aline is accused of aiding her brother in his embezzlement from his employer, Cord Lachoni. To avoid criminal charges, Aline commits to a year in France with the ruthless Cord as his PA and interpreter. It frustrates Cord to no end that he is so physically attracted to a woman who is a liar and a cheat. Aline's protestations that she's innocent to the crime and to his ugly thoughts of her character, only adds more fuel to the fire. When Cord realizes his mistakes, it's almost too late. This is another great read

Naksed says

[The H had a great, loving mom and dad who lived their own love story. He has great examples all around him of genuine, happy marriages such as the h's own uncle, who is his right-hand man. But since his own ex-wife cheated on him with Tom, Dick and Harry, all women including the h are golddigging sl

Megzy says

The male lead was nothing but a Bully. I didn't like him at all. Aline was getting emotionally abused not just by him but by his ex-girl friend/ partner as well.

Jenny says

Couldn't finish. Extremely one dimensional characters and bad writing which is weird for this author!
