**Future of Leadership** Bennis , Gretchen M. Spreitzer

**Provocative insights on leadership from a "who's who" of leadership thought including: Tom Peters, Charles Handy, and Jim Kouzes** A stellar cast of the world's foremost leadership gurus comes together in one place to offer their thoughts on leadership in the new economy. Edited by renowned leadership expert Warren Bennis, the book addresses issues that Bennis identifies as the ones that "keep CEOs up at night," including why we tolerate bad leaders, why leadership is everyone's business, and how ethics will play into new leadership. With contributions from Charles Handy, Tom Peters, Barry Posner, Jim Kouzes, and Warren Bennis--as well as from such young entrepreneurs as Michael Klein and Tara Church--no other book includes the caliber of authors and the range of thinking found in *The Future of Leadership*.
