Yep so far Rome is the hottest brother on this series and I like this book better than book 1.

Rachel Wheeler says

Didn't enjoy this book like I did the first but it still appealed to me! Like I have said prior about this series it is not a series that will captivate you but it does entertain you for a few hours.

Christina says

The book is Sex-on-Paper. Really good sex, though.

Amanda says

yum...man i love Rome!

Kerry says

WOW another epic book and all the old character's make an appearance with the focus now on rome and alison, fantastic continuation of story one, heart felt emotions, past issues and worries. Hot sex and massive love of foreplay get's you steamy in no time, loved this one was more emotional at times cause of ali's past but also found a bit brutel too.

still fabulous read and loving the series xx

Dark Awakening picks up two months after Breeding Cycle. This book was more dark than book one but still just as erotic. Conlin is the werewolf Prince and he's a sick man that enjoys hurting woman. Alison has moved on from the attack she suffered at Conlin's hands two years ago, but she is still emotionally scarred. Roman, Kategan alpha yummy sex god, is determined to break down her defenses and find out why Ali can't stand to be alone with him.

This is an erotic paranormal novella. The plot was pretty good and the characters were very likable. I wished the author included more details at times, but that's often the case when reading short stories. They don't have the meat and potatoes of a full novel. But there was definitely more than enough steamy loving! I went with

it and enjoyed the ride!

Poor Allison has been thru Hell, beaten and near raped by a brutal shifter who had to abuse women to get off... Well he is still after her. When he hears about Rome being in Love with Allison He decides He must have her and then of course he only wants her to torture her.. but when she went into her breeding cycle Rome was there for her.. and he fell for allison... lock stock and barrel!!! He will fight to the death for Allison. Which may just come to both of them.. Sadly... I cannot tell anymore,, since this story is exciting from beginning to end if you give one piece of the story away you give it all aways.. I will not do that 'not that I can hardly keep the storyline to myself'.. I never could keep a secret when it came to a christmas gift or any secret like that.. but this one.. is better than a christmas present!!! a major character just may die... oh no.. i have to stop.. cannot tell more....

A GREAT READ..., SEXY TOO.. OF COURSE YOU CANNOT EXPECT ANYTHING LESS FROM ' the Great Author T.A. Grey'.

Dee says

I was looking for a nice and easy read but I was a little disappointed with *Dark Awakening*.

The heroine, Alison had a really stubborn streak. Yes, she was hurt in the past, but I never fully connected with her. There Rome was, patient and protective and head over heels in love with her. She never really saw that until he withdrew from her.

Then when she let him in they didn't even do it slow, it went BAM. And for someone with her kind of past, I was expecting more of her just trying to discover herself again and, well, *heal*. But the relationship progressed a little too fast for me.

Still, when they finally got together, I appreciated their honesty and their openness with each other. The book didn't work so well for me, but Alison and Rome's story was short and sweet and had its moments.

My WTF list:

(spoilery stuff ahead)

1.) It bothered me that (view spoiler)

2.) (view spoiler)

3.) (view spoiler)

Excellent 2nd book in series.

A few months ago, I would have told you that I really don't care for PNR, shape-shifter genres. But through my time on Goodreads, I've been able to ID some great books, and my reading interests have expanded.

This particular book had a compelling story line, which held my interest. The white-hot sex scenes were "all that".

Looking forward to the 3rd book.
