If someone asked, 'Are you a fan of Jesus?', how would you answer? You attend every movie featuring a certain actor, you know the stats of your sports hero, and can recite each lyric from your favorite band. In short, you're a huge fan. But are you treating Jesus the same as the other people you admire? The truth is, Jesus wants more than the church attendance, occasional prayer, and the ability to recite Scripture---the fan response. He's looking for people who are actually willing to sacrifice in order to follow him. In this student edition of Not a Fan, Kyle Idleman uses humor, personal stories, and biblical truth as he challenges you to look at what it means to call yourself a Christian, and what it means to follow the radical call Jesus presents. So will you be a fan, or a follower?
