Little Miami Girl: Antonia and Jahiem's Love Story Diamond Johnson

Antonia Taylor had been living in hell since day one. At the tender age of six, she lost both of her parents and was forced to move in with her aunt from hell, along with her aunt's four other children. Antonia is a senior in high school, attending Miami Northwestern. While the other students may be coming to school, sporting new clothes and new shoes, Antonia is always sporting new bruises on her body because at home, she is her aunt's punching bag, getting whipped for any little thing she does.

Jahiem Carter is the hood's finest tattoo artists and quite the ladies' man. With all of the bruises on Antonia's body and her messed up lifestyle, Jahiem sees a beautiful girl who's just been dealt some bad cards in life and wants to get to know her as a friend but he can't help the physical attraction between the two.

Join this little Miami girl as she deals with problems that no teenager should have to endure. Will Antonia be able to handle all of these problems by herself? Or will Jahiem be there to help her get through this thing called life?

I love this book!

I can't stand that damn aunt I wanted to jump through my kindle and beat her ass! I love me some Jah he genuinely cares for Antonia something that she never had anyone to do, her aunt boyfriend is a disgusting piece of crap and I'm so glad that Porsha came in when she did...

This book was very detailed and allows you to feel connected to the characters. I actually finished it in one day. What really drew me to it was the title. I'm a Miami girl myself so I just had to read it!

I love the storyline of this book.

It's the story of a teenaged girl named Antonia who feels she is alone in the world. Her parents have passed away and she now lives with her resentful and abusive aunt.

Antonia finds her hood knight in shining armor; Jaheim. Their love has just begun to blossom at the end of this novel. I'm excited to see how their love story plays out in the following books.

Wow... I just hmmm I just wow.

This baby goes through so freaking much in this book I was about to stop reading it. I found myself being pissed off, like to the point where I had to just put down my tablet and walk away.

Now... lets see this part two and I am wondering why all of a sudden this person comes to her rescue at the end... didn't expect that at all.. but it will be interesting to see why.

I hope in the the next book we can see her happy, like over the top happy with the drama of course.

Jah.. this guy is rough but pretty freaking great.. can't wait to see how this grows.

Worth more than 5 stars

Omg this book was everything!! I loved jah and Antonia together he saw her hidden beauty and decides to wife her up. Tonia was dealt such a bad hand from the time she was born until she was 18 I just wish she would have spoke up soone. Hopefully in book 2 she gets the hell away from that hell house and her aunt get what she deserves. Such a great read.

This was my first time reading a book written by this author. This book is not my usual type of book to read, but I started reading the sample and I couldn't put it down. I purchased the book and I was so intrigued that I couldn't stop reading. There were certain parts of the book that as a mother and a woman it was very hard for me to read. I had to keep reminding myself that this is fiction, although these situations really do happen in real life. This is a very emotional story and I can't wait for the next installment.

Antonia and Jahiem

I love Antonia and Jahiems story. Antonia had a hard life growing up, and Jah was the best thing that has ever happened to her. Her Aunt made me want to reach into my kindle and just choke her out for all of the abuse that she did to Antonia. I hope that she gets what she deserves in part 2. Thus book had my emotions all over the place. No one deserved to be treated the way that Antonia was treated. I hope that her so called friend Tacarra gets what she deserves as well. I hope that I don't have to wait too long for part 2.

Ms Diamond Johnson brought us a tale that would pull at the heartstrings of the most jaded individual. We are introduced to Antonia who finds herself living in a world of chaos, turmoil, abuse, and degradation. Antonia's mother died of a drug overdose and her father was killed when she was a newborn baby. After the demise of her mother she went to live with her Aunt and from that day forward her life became hell on earth. Her only means of escape from the constant physical, mental, and emotional abuse was her after school job and school. She used school as her outlet and motivation to be the best in order to escape from her mental prison. While going through life merely existing she meets Jaheim and the sun begins to shine for the first time in all of her years of living. From finding her self-worth, realizing that she is indeed worthy of love, and finding her voice to stand up for herself things begin to look up for Antonia. This book was a little different from anything else that I've read by Ms. Diamond Johnson but that isn't a bad thing. The authentic voice that Ms. Diamond allowed to bleed through the words on the pages gripped my heart in a vice and had me equal parts appalled, angry, and saddened that this young girl was experiencing things that I wouldn't wish on my worst enemy. What I found to be very refreshing was the fact that Ms. Diamond Johnson stepped outside of the normal box and wrote from a very raw and starkly vulnerable place allowing every ounce of pain to infuse with the very words on the pages. Kudos Ms. Johnson. This book in my opinion has to be the best

project that I've read by you thus far. I can't wait to see how the rest of this gripping saga is going to play out.

I have never really shed tear for a book until I read this one. At the hands of her Antonia life is a living hell. The abuse is something serious. On top of that her so call friend betrays her. Along the way however Antonia walks into a breath of fresh air and finds some type of scolice. Still there is fact she has back to hell on top of that she finds the reason she is hated so much. When everything looks to be going good here come Rick, but there is a saving grace surprisingly.

OMG this storyline was so amazing and it was so heartfelt it's like Antonia couldn't win for losing and I just hope that Porsha do to Rick what somebody should have been done because for him to take her innocence like that just disgusts me I just hope that in part 2 Antonia get what she really deserves because she didn't ask for none of this in her life. Jaheim is a great fit for her life and I just hope that he do good by her. This book really had me crying some real tears well done Diamond Johnson

Great read

Antonia has been dealt a tough hand, luckily for her Jaheim is her knight in shining armor. Her aunt needs to be put in jail with her ole jealous behind. I am so glad that Antonia saw that Tacarra wasn't truly her friend. I don't wanna give the story away but this is a must read Diamond Johnson always delivers that heat. 5?? certified read

Poor Antonia

After hearing so much about this book, I finally decided to read it and I was not disappointed. The things Antonia went thru in the book was unbelievable and I wouldn't wish it on my worst enemy. I like Jahiem's character and the relationship between him and Antonia. I will definitely read part 2.

All cried out

OMG, I cried crocodile tears from the start of this book. To read about the abuse this young lady had to endure was heart breaking. I was glad to see she had a little bit of happiness. The aunt needs her tail beat.

And the boyfriend Rick needs to be castrated. I can't wait for part 2. Please don't make us wait too long!

Powerful.. 10 Stars!!!!!!!!!!!!!!!!!!!!

This is my first time reading a book written by Ms. Johnson. The book was emotionally hard for me to read. I was deeply touched and heartbroken for Antonia. I had to stop reading the book at one point because I couldn't stop crying. The story was told Raw and Powerful! I would give 10 Stars if I could.. I am so happy God placed Jah in Antonia life..as well as his mother and sister. Please..Please..Please Hurry with part 2!!!!!! I am a new Fan Ms. Johnson! Great Job!!!!

Love it! On to book two

JessAmazin87 says

This book was amazing... I love how she never let her being in a awful living environment. Deter her from her ultimate goal which was getting into college. With this new found love that she has with Jah, I hope he treats her like she deserves to be treated. This book was waaay to short, but I loved every single page. Your books never disappoint me.
