Bending Bethany Aria Cole

When Bethany Howard meets international soccer star Jenson Abbot at a bar one night she never expects it will change her life forever. University classes and late nights spent studying fill her hours, but Jenson is determined to show her what she's been missing. She thinks it's only a one night stand, but Bethany is anything but a fling to Jenson. He's been waiting for someone to make him feel the way she does, her sharp tongue and delicious curves undoing him from the beginning.

Jenson is hellbent on proving he is the man for her, the only man that can make her eyes light up when she laughs and her body sing beneath his hands. But can Jenson convince Bethany that there's more to him than meets the eye? Or will his flirty grin and dogged persistence put her off men forever? Jenson is determined to find out, because he's got one last play tucked in his pocket, The Panty Play.

Warning: Bending Bethany is a whirlwind week of syrupy sweetness with the nerdy girl next door and the MVP soccer star she can't quite shake. Be prepared to be wooed all over again!

Just finished this lovely read and I really enjoyed it. Jenson was so persistent, he was so into Bethany of course I ate that up!! I love when a man is head over heels for a women and he definitely was. Now Bethany was trying to keep her distance from him, she felt that she would not have the time for a relationship because

of college and her studies but Jenson quickly tossed that out the window. True love can't be denied. He was swoon worthy!

5 'Perfectly Bent' Stars

Amazing, delicious (Jenson sure put panties on a new perspective for me, LOL), light, super SWEET and HOT little read!!!!

From the very first moment their chemistry was sizzling! Jenson and Bethany really couldn't stay away from each other, and even with all the blocks Bethany tried to put, we could see that deep down she wanted him just as much as he wanted her! And boy, did he want her! He knew from the very start she was 'the one' for him and couldn't have fought more to make her see that until he completely bent her to the obvious!!!

Jenson really did a show on wooing Bethany, with some really original and funny ideas. He really used every weapon at his disposal!!! He couldn't have been a more PERFECT and sweet hero! Sigh....

Bethany was sassy (loved their banter), smart, and completely goal oriented, but no one could resist Jenson charm, devotion and special brand of persuasion, but it sure was delicious to watch her try!

And that epilogue... That's what fairy tales are made of! Absolutely PERFECT!!! <3 <3 <3 <3 <3

Looking for a good Cinderella romance tale? Bethany Howard is the type of girl to stay home, read a book and study. Her sister, on the other hand, is the partying type and the one to sleep around. One night Bethany's sister talks her into going clubbing with her and Bethany ends up meeting Jenson Abbot and eventually having a one-night stand with him. Jenson liked the fact that Bethany wasn't a fangirl of him as Jenson is an up and coming football star. Jenson wants to convince Bethany that he's her "one," but Bethany just saw it as a moment of passion and a one night stand. Can Jenson prove to Bethany that he wants her forever? I liked this story as it was sweeter than her usual smutty tales. Also had a Cinderella moment - but using her panties instead of a slipper. Bending Bethany is an excellent quick romance read that won't leave you disappointed.

This turned out to be a really sweet little story!

Initially, I wasn't too crazy about Bethany. I just felt she was very dismissive to Jensen. She did however grow on me later in the story.

Jensen was just the sweetest. Even though he was a famous soccer player, he was not a manwhore or partier. He set his sights on Bethany and didn't give up on her.

- sexy famous soccer player
- ok heroine
- no cheating or ow/om drama whatsoever
- hot sex scenes
- heroine pushed him away at first
- sweet epilogue with a HEA

I wouldn't mind having a story about Taylor and Luc!

Quick insta love story

Great characters and writing style told in dual pov's, sweet hea and a bit of hotness thrown in.

A hot soccer star falls for sweet girl and basically grinds her down with swoon worthy torture until she agrees to go to dinner with him.

Loved it, a recommended hot sweet read.

Looking forward to reading more from Aria Cole.

PLEASE DONT READ MILD SPOILERS AHEAD!

It may just be me but I don't like when I girl has drunken sex with a stranger.

I know the story is cute and sweet and I loved the epilogue.

But to me it exemplifies everything that is wrong with the youth of today or even modern relationships. You don't go to bars drink shots and go home with strangers.

On top of that he does not use a condom but even with her birth control here, he is a stranger.

This is just my thing here.

I enjoyed the book but for me it was not as good as her others.

Cute but honestly not my style.

Forgot to mention the Book Where she belongs by Dani Wyatt was also included in my download.

I bought this book already but for those who have not, it's a sweet read.

Romance Novel Giveaways Lauren Seiberling says

A sexy, modern-day fairy tale!

This sure was one quick and steamy read! A perfect “lunchbox romance” to put a smile on your face for the rest of the workday!

The story itself was very low-stress with no real conflict to speak of. Jenson’s relentless pursuit of Bethany was cute, and I was interested to see if and how she would finally accept his persistent attempts at courting her.

A short epilogue wrapped everything up quite nicely, and I’m happy these two got their Happily Ever After!

I must be in the minority of readers who thought this book was okay. Don't get me wrong I enjoyed it but I didn't loved it. It was one of those quick reads that you know what the ending is going to be. **Bending Bethany** was a very quick, sweet happily ever insta love story. So if you looking for a light, fast drama free HEA love story then this book might be for you.

Quick no angst read that's all smut and no plot. Good if you're looking for a filler in between books but not if you're looking for substance. If I had known it was just smut I'd have probably passed

Janie says

This book was ok but not my favorite by Aria Cole. This one was too short with not enough couple time. I liked Jensen a lot but Bethany got on my nerves a little bit. I understand having goals but her commitment issues never felt like they were really explained. The book was just too short for any kind of development. I

will still read future works by Aria Cole though.

Vashti says

Super short read about a drunken ONS that leads to HEA, loved the epilogue.

AJ says

This is a super short read (it took me 40 minutes to read it). Not long enough to allow for anything particularly deep or intense, but it's a sweet, steamy read when you're not in the mood for anything that's going to get you too involved.

Bethany is a serious, 'nerdy' young college student. She is dragged along on a night out by her boisterous sister and after engaging in some banter and flirting (and shots) with gorgeous stranger, Jenson, she indulges in her very first one night stand. It's hot, dirty and super-passionate, and they rock each other's worlds before Bethany sneaks out in the morning.

Later that very same day she discovers that Jenson is actually a hot soccer star when she sees him interviewed on TV. And then she's horrified when he calls out his 'special girl'.

"Calm the fuck down."

I scrunched up my nose at her disdain. "Easy for you to say. You didn't screw a pro soccer player and have him announce that he has your panties all over national television!"

"I know, you've always been the lucky bitch."

She contacts him but makes it clear she's too busy for a relationship. But unlike most of the guys on his team, Jenson isn't into meaningless hook-ups. He wants to date Bethany, and so he sets about pursuing her and wooing her until she agrees to go out with him.

"We're doing this because I like you, Bethany. Because I've already had you in my bed once and I can't stop thinking about it. Your skin under my hands, my lips across your body, the taste of you, the feel of you...I want more."

"I don't want to push you into anything you're not ready for, but I'm here waiting. Okay? That's all you need to know. I'll be waiting."

Hot, yet sweet. Nice.

This was an alright read. There's not really much substance to the story, and it's not long enough to get invested in the characters or even to really grow attached to them. I liked Jenson, he is so charming and his persistence was really sweet, though possibly a little intense and OTT with the cheesy ending. But it's a HEA and there's an epilogue which gives us a glimpse of where they get to in the future which is cute.

It was ok. 2 stars.
