The Sheikh's Lost Lover Diana Fraser

A love affair that must not last...

Lucy Gee sails to Sitra to find her missing sister, Maia, who was last seen in the arms of the King. Lucy doesn't do long-term relationships but when she meets the King she falls for him hard. She just has to control her attraction long enough to find Maia, but not long enough so she loses her heart. Two weeks should do it.

Sheikh Razeen ibn Shad was never meant to be King. But, with his father and brother both dead, he's determined to do his duty, even if that means entering into an arranged marriage with a Sitran Princess to gain the approval of his people. But he has two weeks before he has to choose a wife. Two weeks in which to have an affair with Lucy. What could go wrong?

Stephanie says

This was a good story. The only thing I had a problem with is that the author didn't tell you how much time has gone by in the story. You know as you read that time has passed but you don't know how much.

April says

3.5 stars An enjoyable read that kept you Wanting to find out what happens.

Jacqueline says

It was a sweet easy read. It was only later that I realised that I read it out of order and that this is the second book in this series but as they are stand alone stories it didn't matter. Lucy is going to find her sister who is missing her only clue a photo in which her sister Maia is with the King of Sitra.

Linda says

Lucy is tracing her sisters last known steps, she's been missing for four months, although the standard updates on Facebook keeps Lucy from the help of the Police. With no one to turn to, she makes her own way into the land Sitra where the King is her last clue.

Razeen is newly made King of Sitra, after his older brother passed away. Struggling with all the new problems he never anticipated being involved with, he can't help but fall for the woman he encounters by the beach a starlit night. But nothing could come from this, right?

A quick, easy read, with a Sheikh, a woman searching for more and smutty fluff.

Barbara says

It's a sweet mellow book to read.. but I really would have liked to know the time frame of when it ended..I dnt know but it would have been nicer but loved this nice quick read.

Ana C says

Sweet light reading, nice plot and characters. I like that her secret was real and doable. Even though he was a Sheik he wasn't a jerk. He had his problems from the past to overcome too.

My advice if you're looking for a fast cute read go for this!

Considering it was a Harlequin, it was a great surprise, with an actual storyline and well written sentences.

The 2nd installment of the Desert King with Sheikh Razeen and Lucy

Lucy Gee, originally from New Zealand, travels to Sitr to find her missing sister, Maia. She was last seen in a photo in the arms of the King. Now she was missing. Had the King done something to her.

Lucy doesn't do long term relationships. Her plan to find her sister is to find the King and find her sister. What she didn't count on was falling hard for the King. But, she will fight this because she doesn't do long term relations and lose her heart to someone.

Sheikh Razeen ibn Shad never intended to be the King. When his father and older brother died, he had to do his duty, even if it means stepping into an arranged marriage, his best friend and Princess of Sitran. He has two weeks before he has to formerly choose a wife so he has time to have a fling with Lucy.

What Razeen didn't expect was to fall for Lucy and what secret was Lucy hiding?

I recommend this installment and even if you have not read book 1, you can enjoy this as a standalone. You won't regret it.

I totally enjoyed the book, not knowing how it was going to turn out. You know they are a lot of women have that same problem

Victoria says

Is a great book to read

Wendy Jones says

Really enjoyed the exotic flavour of this book. Great chemistry between the hero and heroine and a well thought out plot. I will definitely read more by this author.

Elaine says

Also called Lucy and the sheik.

This particular one got better towards the end but the middle dragged and I struggled to remain interested.
