## **From Reader Review Picture-Perfect Stem Lessons, K-2: Using Children's Books to Inspire Stem Learning for online ebook**

### **Jennifer says**

An excellent resource book jam-packed with well-designed lessons to integrate STEM into your K-2 classroom using high-quality children's literature and nonfiction. Aligned to the 5 E's and NGSS Standards as well as Common Core. Emily and Karen are experts in their field and have created many exemplary resources for teachers. **HIGHLY RECOMMEND!**
