Elmo Loves You (Sesame Street) Sarah Albee , Maggie Swanson (Illustrations)

In this *Sesame Street* Little Golden Book, Elmo tells in a rollicking, rap-like rhyme how everybody has something special to care about. And Elmo reminds his readers that, yes, "Elmo loves you!" Though this humor-laced poem is a natural for Valentine's Day, toddlers will love it year-round.

Curtis Edmonds says

I've read this a thousand times, I guess. I've got it memorized. The only real problem we've ever had with it was an insistence - an utter, stark, raving insistence - that the red monster on the "Monsters like to exercise" page is Elmo. It is not. I have explained this, and my kids no longer insist that it is.

My kids have outgrown a lot of their board books. Not this one.

Sara says

this book was amazing. granted, a little creepy. but...ELMO LOVES YOU! so it's all worth it.

Gretchen says

This is one of my favorites!! I love kissing Elmo at the end, who wouldn't??

Regina L says

In this Sesame Street Little Golden Book, Elmo tells us all about how everyone on Sesame Street has something important to love, and reminds us that Elmo loves US! It's a perfect book for Valentine's Day but Dolly will keep it in her bookshelf year round! Read more at www.diapers-and-daydreams.com

Ash says

Jasp got this from his Grandma for Valentine's Day. Very cute.

Robert Owens says

My three-year old daughter enjoys this book.

All the Sesame Street characters are presented. The reader learns that Elmo loves him. Ho hum.

Michele says

This was a sweet Valentine's Day present for my little girl. She just loves Elmo!

Mely says

Anything that's Elmo, my toddler absolutely loves. We bought this book for her for Valentine's Day and she fell in love with it. It's cute illustrations and charming story, is sure to make any Elmo fan's day!

Calista says

The nephew brought this book out of the Little Golden book shelves to read again. He likes Elmo. Elmo has an excellent message: "Elmo loves You". A great thing for kids to hear. I do love the picture of the Monsters exercising. Very 80s and delightful. When did Oscar the grouch get a girlfriend. I am so behind on my Sesame street news.

It's a cute book for young readers. The nephew gave it 3 stars. Me too.

Michael says

The book is really hard and has high vocabulary but is a really good read, but this must be a collage level book.

Meg McGregor says

Everyone loves something—it's true! In this rhyming book, Elmo explains how everyone has something special they care about—babies love noise and kids love toys; Bert loves pigeons and pigeons love to coo.

And, as Elmo loves to remind readers throughout the book, to toddler's delight, "Elmo loves you!"

Lauren Robinson says

I am 13 years old and how do you expect children to read it, if not even i can understand the words. The words are so hard. They had words like "hello, today, bride, work".... IT WAS SO CONFUSING

Eric says

This book creeps me out, and if my daughter didn't love Elmo so much, I'd misplace it. Elmo is like some kind of stalker out for Valentine's day love, and at the end he extorts a kiss from the reader. And the poetry is really lousy.

Katie says

After a year daughter still loves it

Brinli says

I really enjoyed reading Elmo Loves You because it taught me that there is always something to love in life especially as a young child when your developing. Elmo is such a cute animation that many readers' enjoy, I remember loving the books and movies that Elmo starred in. It was the way he acted, his cute adorable voice that made me get interested in books & movies. The way there is always something cute in every page he said, I really enjoyed it and now I read those same Elmo books to my little sisters; it's too cute.
