Warning: This review may contain spoilers.

This was one of the good books from my childhood! I was always intrigued with mystery stories. Books that involved Nancy Drew fed my interest. I found it interesting to read books from her younger days. They may seem very childish, but hey! It is still a fast and fun read.

I liked the idea of the Secret Santa game. A short and sweet childrens' mystery book just fit for the upcoming holidays! I must start thinking of gifts to give to my assigned person. Hm.

I read this for a Christmas readathon as a children's Christmas story. I really liked it. It makes me wish I had read Nancy Drew as a kid.
