## **Spiritual Warfare for Every Christian: How to Live in Victory and Retake the Land** Dean Sherman

"Dean Sherman is dean of the College of Christian Ministries at Youth With A Mission's University of the Nations. He is respected internationally as a Bible teacher, having taught on spiritual warfare and relationships since the 1970s in ministers' conferences, YWAM schools, and churches in 49 states and more than 40 countries. God has called Christians to overcome the world and drive back the forces of evil and darkness at work within it. Spiritual warfare isn't just casting out demons; it's Spirit-controlled thinking and attitudes. Dean Sherman delivers a no-nonsense, both-feet-planted-on-the-ground biblical approach to the unseen world. Over 300,000 copies sold!

## **From Reader Review Spiritual Warfare for Every Christian: How to Live in Victory and Retake the Land for online ebook**

### **Wesley says**

Pretty good read on a subject that's kind of socially taboo - especially for non-believers. I really enjoyed Chapter 9 which covers the whole "why does God allow evil" topic. Recommended read.

---

### **Marius Røstad says**

A practical and easily explained way of the importance of spiritual warfare.

---

### **Michael Walker says**

Quite simply the best book out there on the subject. Sherman mentored countless Youth With A Mission (YWAM) missionaries over the years. Solid, practical, Biblically sound advice from a seasoned Christian veteran of the unseen battle....

---

### **Nancy Carrera says**

So challenging! And a reminder that it takes a life of prayer to overcome all circumstances we face. At the end we know that The Lord is with us, here and now -always!

---

### **Stephanie says**

This book is a great guide. Spiritual Warfare is real and needs to be taken seriously by all Christians. I highly recommend this book.

---

### **Jessica says**

I learned so much in this book. I also re-learned things I was taught when I was a new Christian. It's good to re-visit valuable lessons. I like how the book ends: All Christians are spiritual warriors...walk consistently and victoriously through life with Christ by your side.  
Sounds good to me!

---

### **Venus race says**

the battle between satan and all children of God. we should win the battle, we should take our place and wave the banner. crush the devil and resist him. coz we were designed to live in victory each day.

---

### **Margaret Nahmias says**

This makes the concept practical by presenting it in various forms.

---

### **Karla says**

Very frightening, and I am convinced absolutely true. I definitely want to be a warrior for heaven's cause!

---

### **Jackie Wolfred says**

WOW. What an important book, that I will read again.

---

### **Tammy Walker says**

Very informative very good book I recommend it for anyone very easy read was able to read it in about five hours...

---

### **Debra Johnson says**

Terrific book that lays out strategies of Satan and how the born-again believer can be victorious over his strategies

---

### **Ali says**

I read this book with one of the patients at the hospital I work at. It was very good for discussion. I liked the first part better than the latter parts. Dean Sherman does take scripture out of context several times which bothered me. I think this book is best read in company.

---

### **Ryan says**

It says many great things about the spiritual battles that go on around us and in us. He does a good job explaining this topic using scriptures, and he answered a lot of the questions that I had before reading it. Every Christian needs to know about this topic, and I recommend this book if you are looking for one. Sometimes it seems repetitive, but the truths in between are worth reading.

---

## **Liz says**

While I enjoyed a lot of the content of this book, I found the writing irritating. Sherman is very repetitive and sometimes uses the same phrases 10-20 times in a chapter. This becomes tedious quickly.

Also I had an issue that all his metaphors were geared around men--sports metaphors mean absolutely nothing to me. A more gender neutral metaphor would have been appreciated.

I think I learned quite a bit from the book but I found myself wishing it was written by someone else.
