QuickBooks Pro 2013: A Complete Course

Janet Horne

QuickBooks Pro 2013: A Complete Course Janet Horne

This text provides training using the QuickBooks(R) 2013 Accounting Program. May be used with QuickBooks Premier Accountant, Pro, and industry specific versions of Premier.

Presenting the computerized accounting concepts with hands-on training.

Designed to present accounting concepts and their relationship to "QuickBooks(R) 2013," this text uses a fictitious company to provide hands-on training while it introduces major accounting concepts.

"QuickBooks(R) 2013: A Complete Course "is a comprehensive instructional learning resource. The text provides training using the "QuickBooks(R) Premier Accountant 2013 "accounting program (for simplicity, the program is referred to as "QuickBooks 2013 "throughout the text). Even though the text was written using the 2013 Accountants version of QuickBooks Premier, it may be used with the Pro version of the program as well. (Because of the many differences between the Windows and Mac versions of QuickBooks, this text should not be used for training using QuickBooks for the Mac.)

This edition reflects the latest version of QuickBooks along with several changes, enhancements, and new features.
