Tom Sawyer & Huck Finn – The Great American Adventure (Illustrated): Complete 4 Novels: The Adventures of Tom Sawyer, Adventures of Huckleberry Finn, Tom ... Detective (Including Author's Biography) Mark Twain , True W. Williams (Illustrator) , E.W. Kemble (Illustrator) , Daniel Carter Beard (Illustrator) , A.B. Frost (Illustrator)

"The Adventures of Tom Sawyer" – Tom Sawyer lives with his Aunt Polly and his half-brother Sid. He skips school to swim and is made to whitewash the fence the next day as punishment. Tom falls in love with Becky Thatcher, a new girl in town, but shortly after Becky shuns him, he accompanies Huckleberry Finn to the graveyard at night, where they witness a trio of body snatchers getting into a fight. Tom and Huck run away to an island. While enjoying their new-found freedom, they become aware that the community is sounding the river for their bodies...

"Adventures of Huckleberry Finn" – Huck Finn and his friend Tom Sawyer have each come into a considerable sum of money as a result of their earlier adventures. Huck is placed under the guardianship of the Widow Douglas, who is attempting to "sivilize" him. Finding civilized life confining, his spirits are raised somewhat when Tom helps him to escape one night, but his alcoholic father turns up and kidnaps him...

"Tom Sawyer Abroad" – Tom, Huck, and their friend Jim set sail to Africa in a futuristic hot air balloon, where they survive encounters with lions, robbers, and fleas to see some of the world's greatest wonders, including the Pyramids and the Sphinx.

"Tom Sawyer, Detective" – Tom attempts to solve a mysterious murder in this burlesque of the immensely popular detective novels of the time.

"The Boys' Life of Mark Twain" by Albert Bigelow Paine is the story of a boy, born in the humblest surroundings, reared almost without schooling, and amid benighted conditions such as to-day have no existence, yet who lived to achieve a world-wide fame.

Samuel Langhorne Clemens (1835-1910), better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer.

Travis G says

this book was very good it had a lot of action and a lot of suspense in it.I really liked all the trouble that Tom got into and all the fun that he had doing it.I recomend this book to anyone who likes action and boys getting into trouble.

Kenny says

What did i learn from this book? That things haven't changed all that much after all.

Sandy Iwo says

Je n'aime pas trop l'histoire. Elle m'est trop enfantine.

Martin says

This collection of four Tom Sawyer stories keeps the reader laughing and entertained and eager to see what mischief Tom is going to get into next. Mark Twain is a wonderful writer and his stories reach out to the young and old alike. If you're looking for a few hours of escape from the real world, I suggest you find it in the pages of this book.

Martin says

I can't believe no one has reviewed this book yet! This is the absolute compilation of everything Tom Sawyer.

When I was in school I had read The Adventures of Huckleberry Finn and The Adventures of Tom Sawyer and they were my favorites. Recently, I've had a craving to read more by him. I'm in the middle of his book Roughing It and think I'm addicted. It's a great read about his travels through the American West.

A great way to have a Tom Sawyer collection ALL in one place and not have to carry thick heavy tomes around with me.

Lori says

I read all three of these for an English class in college. Tom Sawyer is definitely the better of the three (mainly because the other two were written when Twain was broke and needed cash). Twain has a harder time of grasping the voice of Huck, who is the narrator for Tom Sawyer Abroad and Tom Sawyer Detective.

Dawn says

This is a collection of 4 books so I will add to this review as I read each part.

"The Adventures of Tom Sawyer"

I never read these stories before and I guess I wanted to become a child again for a spell (ha!).

Hard to rate/review considering the book was written in the late 1800's. It was difficult getting used to the writing but eventually I did. There are a few words that are out-dated and I did not understand some of the meanings.. but overall I got the gist. I would think this to be more difficult for someone whose second language is English..or even not American because the words are written phoenitically to give the reader the full flavor of southern accents and slang...

One also has to forgive alot of un-pc words used and remember the time period this was written. The "n" word is used alot..which I am sure will be offensive to many..but what I found offensive was the whole Injun Joe stuff. Especially the part where it is mentioned how white man would never mar or disfigure a person... that is the mark of an indian. HA!!! What ignorance! It was the WHITE MAN who had tortured and disfigured the indians first that made them eventually turn it on the white man. UGGH!!! I wanted to pull my hair out at such ignorance! But what can you do? It was the times.

On a good note!

I just absolutely LOVE Tom. I think there is a little of him in all of us. The story itself is mostly boys being boys with a few larger adventures within. There is also a cute romance with Tom and Becky.. I thought it was really sweet, (even though I did want to shake Tom for hurting Becky.. but it was great when she got him back).

I couldn't help but feel bad for Huck.. who was homeless and living on the streets..but his story is next so I guess I will find out more about him.

It was also disturbing at how the children were always getting switched..hit with a stick..cuffed..beat.."hided" not just by parents but the teachers especially. Ugg again.. this was how it was back then.

Overall I really did like it and I am now on to Huck's story.

To be continued! 4*11*17

"The Adventures of Huck Finn"

I'd give this one 3 stars

Not nearly as good as Tom Sawyer. I was expecting Huck to have a more interesting story and it was sort of.
PDF File: Tom Sawyer & Huck Finn – The Great American Adventure (Illustrated): Complete 4 Novel...
Complete 4 Novel...

Huck's story is a little more tragic since his father was a drunk and mistreated him. Basically Huck was on his own until Mrs Douglas took him in. But Huck didn't like learning to be "civilized."

Huck also didn't want his six thousand dollars (his half of what he and Tom found in the prior book)..mainly because he knew his father would try to get it from him..and that is what he did try to do.

So Huck gives his money to the judge and heads out on his own. He meets up with escaped slave Jim and they take a raft down river and had some adventures. These adventures, to me, weren't nearly as "fun" without the wild and crazy Tom. No, instead their adventures were a little more "realistic" and boring. That is until Tom meets up with Huck again..THEN the fun begins! But this didn't happen until the later part of the story.

Tom is so outlandish in his way of thinking..he truly is the star of the books. It was worth it to see him appear again. By the time he shows up, Jim manages to get captured, and Tom comes up with the most craziest scheme to free him. It was just too funny. Especially all the superstitious stuff..

Be prepared to have to re read sentences over and over again because there is alot of old fashioned words and slang as well as phoentially spelled out words to indicate accents/dialect..ect..

Also as said earlier in my review of Tom Sawyers Adventures.. the "n " word is used alot, and some would find this and other things said to be offensive. Keep in mind this was written in the late 1800's! Not to excuse it, but it is unfortunately a sad part of our history.

Well I'm on to the next book

To be continued...

"Tom Sawyer Abroad"

2 stars

1st person Huck's POV

This is a shorter tale of how Jim, Huck and Tom get carried away in a hot air ballon across the Atlantic, where they travel over Desert, into Egypt etc..

There were some cute conversations and a bit of action but then it was like Twain didn't know where else to take the story or how to end it..or just gave up on it.. IDK

What really was disappointing is that the ending was a rip off. It was like, "and they went home..The End" But now I think on it...I suspect this "abrupt ending" was a pun of the tale Tom told Jim and Huck that they didn't like...I just can't think Twain would end the story like this.. so maybe it was "apurpose." (LOL)

Still...Overall..The story was ok. Just ok

Last one "Tom Sawyer Detective"

3 stars

A lot better than "Tom Sawyer Abroad."

It was a cute murder mystery told in the first person by Huck Finn. Not as wild and crazy as the others, but there was some good humor and play on words. I liked it.

Overall:

A great piece of Classic American literature which really paints a vivid picture of life in the 1800's through the eyes of young boys.

I can't believe I waited 48 years to read these.

Cameron Moore says

From reading The adventures of Tom Sawyer is that when you trick people into doing dirty things or in his case chores. The boy is a mischevious in his own way.

Cool says

DOE has read this book. It took a little getting into - but soon picked up and I completely enjoyed it!

JOAN also read this book. No wonder it's a classic and spans time, all ages and boys/girls and men/women! A little hard in beginning to get used to dialect, but once get into swing, it's great!! I give it a five star too!

Hecatombe says

No puedo creerlo! La primera vez que abrí este libro me pareció aburrido...
Resulta que fui bastante injusta con Mark Twain D:

Jennifer says

Downloaded to my Kindle. I hope to read these adventures soon.

Douglas says

nothing

Cyndy Armstrong says

Very good work of historical fiction.
