Find out what the Church is as Byron Goines gives an exposition on the Biblical definition of the word "Church." Many have a false concept of the Church based upon man's concept of the Church, which is not scriptural when analyzed in accordance with the New Testament. So-called preachers have utilized the false concept of the Church to become wealthy off of the backs of hardworking people whom they have locked into a mindset that is built on deception. Find out whether you have been deceived as to the definition of the word Church through a thorough analyzing of New Testament scriptures in this powerful audiobook written by Byron Goines.
