In his phenomenally successful *The Man in the Mirror*, award-winning author Patrick Morley took men for a close-up on crucial aspects of their manhood and challenged them to establish wise priorities in life. In *Seven Seasons of the Man in the Mirror*, Morley shifts the focus to wide-angle. Looking at the broad sweep of life itself, he helps men determine where they are, where they're headed, and how to get there.

Drawing on the lessons of his own life and wisdom from the Bible, Morley presents hard-won perspectives on the seven seasons of Reflection, Building, Crisis, Renewal, Rebuilding, Suffering, and Success--and in so doing, addresses men's deep longing for direction and purpose. With candor and passion, he speaks to issues every man must face. He illustrates them with true, modern-life stories. And he presents meaty questions for men to chew on and decisions for them to act on. This penetrating, richly encouraging book will help men turn from empty pursuits to the joy, passion, and eternal satisfaction of manhood's highest purpose.

insightful, introspective. This will help you take stock in yourself.

### **Carl says**

This book had only nuggets of wisdom sparsely scattered throughout a compilation of personal stories and advice on how to become (specifically) a born again Christian. Notwithstanding the faulty evangelical theology throughout, the book contains some common sense - nothing earth shattering or revolutionary. The organization of the topics does not flow well - pointing to the fact that this would best serve as an evangelical group study guide only.

Good book for young and old men alike. Great conversation starter. I recommend for a book club or small group.

This is a pretty decent book on spiritual development for men. There are a few typical mistakes regarding assumptions about types of men, etc., but those are forgivable. I honestly wished I had read this book when I was a lot younger, but it's still a good read.
