## **Zany Hijinx!** Tom Waters

Zany Hijinx is the evolution of Tom Waters's contribution as an essayist over the course of ten years. From young adulthood to his mid-20s, we get his personal, quirky viewpoint on a number of subjects: dentists, college, dating, fashion trends, hunting, football, and a score of other bizarre, off-beat rants. Irreverent, obnoxious, outspoken, and critically awarded and praised, Waters's work has appeared in The Buffalo News, ArtVoice, and Night Life magazine.
