FUR-ocious Lust SHORT #5 - Tigers

A BBW and a Tiger heat up the pages!

This is a STANDALONE SHORT Novella. This a NOT a full-length book. This short ends in a happily ever after with no cliffhanger

Gabriella Cantur is a curvy dancer who's not interested in hooking up. No way, no how. As a matter of fact, she's too busy being a big sister to have a life. When her lying brother gets into trouble, it's Gabby who's going to pay the price. Suddenly the girl who grew up feeling unwanted is chased by the sexiest tiger she's ever seen.

Slade Tigris knew the moment he saw Gabriella she was his. What he needed was a way to strip her naked and show her just how much he wanted her. Thanks to good old dad's meddling, he might just get that and then some.

Falling for a shifter was never in Gabby's plans, but Slade is gnawing through her walls and making her heart skip a beat. Who knew she had a soft spot for fur. Now all she needs to do is get rid of the pesky man accusing her of being a thief before her big kitty mauls someone to death.

Reader Note: This story contains some scorching hot sex (yeah, baby!). Super creative adult language (dirty talk is my middle name). If you have problems with low down dirty hanky-panky, you might want to skip this one. However, if you like a tiger who can't get enough of his curvy woman and some cheeky humor, this is the story for you. Enjoy.

Another great short read, loving the series and seeing how each one plays out between the characters and interesting how each situation plays out or is handled.

Tiger-rific!

The Tigris brothers are really sexy talking shifters that can back it up with action. I like the fact that Slade (love the name) has this dark and dangerous personality but has a caring side for Gabby and her needs. Her back story was really believable in that she grew up immediately mothering her younger brother which became her sole responsibility after her parent passed. She struggled with her weight and sought out dancing to cope through school and being alone. Dropping out of college to look after her brother and then to pay his child support for her niece was a sweet touch. Slade wasted no time getting her to have sex with him but in the club? I was thinking it would have been more sexual tension before they actually got together. Well done with the guy stalking Gabby for the casino winnings of his wife. There were a lot of things happening in this story, the brother, the ex-sister-in-law, the niece and then the stalker & his wife. It kept me reading until I finished the book. I love your shifter stories. Please keep them coming...pant intended.

Stand-alone book, but part of Furocious Lust Shorts.

Although this is a SHORT story, you don't feel rushed or that you don't get much of a story. Ms. Taiden can really write a short story to make you feel like you are reading 300+ pages!

As per this author's normal, you are in for a HOT ride! Please remember, to be 18 or above to read this. As per normal, you have a very sexy and confident Big Woman and a sexy shifter. But no two stories from Ms. Taiden are the same.

Gabby is a wonderful character, and Slade well for the little bit we actually "see" him, he is wonderful as well.

Diana Rising says

This was a fun and sexy shifter romance. It was quite different, being set in Las Vegas. The hero is a tiger shifter who has some management job at the casino his father owns, and the heroine is a stripper. Her brother has a gambling problem and they meet when she has come to get her brother out of the casino at the same time he gets caught cheating. Her brother owes a lot of money and the tiger shifter father, the casino owner, sets things up to bring the hero and heroine together for a couple weeks.

As soon as the hero meets her, he knows she is his mate, and she is very, very attracted to him. There are some fun encounters.

They get close fast, deal with her family issues (like the brother's daughter and baby momma) and everything

comes together.

Holy mother of hot tigers!!! Where can I find me one of these sexy shifters!?! I absolutely adore this series from Milly. Each one keeps getting hotter!

Gabby kicks ass. I love how she stands up for herself and is always trying to help others. And Slade.. its so endearing how much family means to him and all that he does for Gabby to help hers. He's so protective and sweet and so sexily alpha!

I can not wait to get the next book!

Stripe Search by Milly Taiden

Gabby is a dancer who is trying to track her brother down in a casino and drag him home. He has a gambling problem and spends any money he has on gambling instead of paying child support for his 6 year old daughter. Gabby has been trying to get a handle on her brother while taking care of her niece, sister in law and herself. Vincent Tigris agrees to forgive her brothers debt if she will fill in as secretary for his son, Slade, for two weeks. As soon as Slade meets Gabby, he knows she is the one for him and he begins to court his mate. I would love a Tigris male for myself, Slade is a gentleman who only wants to help and care for his mate. I love this series so much and can't wait for the next one.

Alathia Morgan says

I found this story humorous and laughed out loud. When Gabby goes to take care of her brother's gambling debt, she had no idea that she would be the one paying for his debt. Thrown into a situation where she has no choice, but to take the owner's offer of to become his son's secretary so they would forgive her brother's large debt. They also make sure, her brother is sent to rehab. Gabby is uncertain that she can handle working with this family who has an odd reputation. Pleasantly surprised when she meets Slade, all she wants to do is jump his bones. When Slade walks into the room, he is hit by with the knowledge that his mate is in the room. As they both work with the unspoken desires, they are continually thrown together. I am looking forward to reading more in this series.

Rochelle Willis says

This book is about Gabby and Slade. Gabby is a curvy dancer at Charlie's and Slade dad organised Gabby to be Slade's assistant for 2 weeks to work off her brother gambling debt. Sparks fly as soon as Gabby and Slade meet.

Loved it great addition to series

HOT Shorty!

This is another HOT shorty by Milly Taiden. This is the fifth book in the Furocious Lust Shorts series. Gabriella is a curvy dancer and doesn't have time for a relationship because she has to keep getting her younger brother out of trouble. While Gabby is going to find her brother at a local casino, she finds him cheating. The owner of the casino is none other than Mr. Tigris who has three sexy sons who also happen to be tiger shifters. When Mr. Tigris tells Gabby that her brother owes him a lot of money, he tries to set her up with one of his sons Slade. When she turns down the offer, he offers her a job as Slade's assistant. The moment Slade sees Gabby he knows that she is his mate, now he just needs her to realize it. If you are looking for a HOT sexy story that you can read in one sitting then you need to check out this book and the other books in this series. I can't wait until the next book comes out.

A Review copy was provided to me in exchange for a fair and honest review. The free book held no determination on my personal review.

Bambi Fogleman says

I want to make this Tiger purr, growl, and roaring sounds good too!

WOW! There is nothing like a smoking hot sexy read from the Smut Queen herself Milly Taiden.

I have fallen in love with these fast pace quick reads that leave you panting for more....

Curvy, Sassy women that love their bodies and Hot growly Alpha men that love them for who they are and there more then a handful beautiful souls.

Like her Bears these Tigers are amazing stories that i can't wait to read more.

He shrugged. "I am having her work for you for a few weeks to pay for her brother's debts."

"Half a million dollars' worth of work in two weeks? What exactly is she going to be doing for me?"

Vincent stopped messing with his phone and glanced up at him. He chortled a laugh and slipped the cell in his pocket. "You are definitely my son. She's not doing anything bad. Covering for your assistant."

Gabriella Cantur Loves her body and dancing at charlies gives her just that. When her worthless brother strikes again she could loss it all for him cheating and losing at a shifter casino. Then in the middle of trying to save him she is accused of the same stealing from a patron leads her to Me. Tigris for answers. But What the man ask for may be to much....

Slade Tigris works at his dad's casino but when he lays eyes on the sexy Gabriella he knows she is his. After all the years his dad tried to get him to Charlies only to find out the woman of his dreams works there. Problem she tells his dad she wants nothing to do with him. How do you get your mate to change her mind?

He gulped and bit back the groan floating in the back of his throat. She flipped around, leaned forward away from him, and his eyes zeroed in on her ass. Those big, curvy hips wiggled and showed off a tiny pair of satin panties with the words "eat me" in shiny, glittery letters.

Nancy says

Fast read. Mate at first sight...well, he realise she is his mate while he watches her dance.
