Regal, reserved Irina Lukovic was the perfect live-in housekeeper. Until she found out she was being sent back to her war-torn homeland. So Caleb Bravo came up with the ideal solution...one where they'd still be living together on a more *permanent* basis.... The handsome bachelor proposed!

Irina couldn't believe that the footloose mogul was giving up his freedom for her. But now that they were officially husband and wife, she suddenly yearned to belong to Caleb in more than name only. To be his wife...in every sense of the word...

What I loved so much about this book was the story line. It was so much different than any I have read. An immigrant marrying to try and get her green card. The events as they unfold keep you drawn into the story. Caleb is a player who was used to partying and women and to have someone he hired as his housekeeper need his help, it brings out another side of him.

Also one learns a lot about the way immigration checks on immigrants who marry for a green card, etc. If you don't like sex scenes then this book is not for you. But the story line is worth reading and the sex scenes are not erotic and so you can enjoy them as they make part of the story.

Light, summer read.

THIS WAS ONE OF THE BEST BOOKS IVE EVERY READ I COULDNT PUT IT DOWN I READ THE WHOLE BOOK WITHIN MAYBE 12 HOURS THATS HOW GOOD IT WAS..

Temanya lumayan unik, ttg pernikahan green card alias menikah demi mendapatkan green card di Amrik. Juga percintaan klise antara (ex) majikan dgn pembantu rumah tangganya. Ditambah lagi fairytale, yg ternyata oh ternyata si Irina ini adalah putri mahkota Argovia yg hilang.

Sayangnya karakter Irina terlalu mellow bagi saya. Caleb yg diceritakan sbg eks majikan dan playboy yg bertobat juga agak kurang gregetnya. Nilai plusnya utk ukuran Harlequin, lumayan banyak adegan HOT-nya. Suasana kekeluargaan yg kental sdh pasti trademark seri Bravo ini. Saat membaca novel ini, storyline enak dibaca dan tidak membosankan.

Kitabımız ben çok beğenerek okudum beni aartan unsurlarla dolu güzel bir kitap :) Konusu Caleb'in evinde hizmetçilik - aslında ev çekip çevirmek dında adamın hayatında çekip çeviriyor :D - yapan Irina'nın göçmenlik bürosundan gelen bir mektupla sınırdaki edileceğinin haber edilmesi üzerine kaçmaya niyetlenmesi ile başlıyor. Ama Caleb evini ve hayatını böylesine düzene sokan başka bir hizmetçi daha bulamıyacağına gayet bilincinde olduğundan kızımızza evlilik teklif eder. Elbette ki, bu bir anlaşma evliliğidir ama Irina'ya göre tamamen gerçek görünmelidir ve bu evliliğin anlaşma olduğunu başka kimse bilmemelidir. Birbirlerini bu olaylarla daha yakından tanıyan iki genç evliliklerinin 2 yıl önce olduğunu biliyorlardı ve her günlerinin tadını çıkartma niyetindedir. Süpriz misafirler, gizli gerçekler aralarına girmeye çalışmaktadır. Irina Caleb'e özgürlüğünü geri mi vermeli yoksa bencilce onu kendine mi saklamalıdır ?

Caleb has been the care-free Bravo brother, a good salesman and a heart-breaker. When he sees his ever efficient housekeeper of two years Irina packing, he panics, she's wonderful and he owes her cousin, so he asks what is wrong and she tells him immigration, she can't bear to go back to her war torn country, he suggests a marriage of convenience and because of rules it has to last two years. Irina has conditions, no women for him, he agrees on the condition that they attempt to make their marriage real though Irina can't bear to be touched.

Caleb was a patient hero, he never once asked her why she constantly covers herself or flinches from contact instead gives her time to tell him, how she was in a blast and has scars and how afterwards when she couldn't move, was constantly raped, before they know it they have a real marriage and Caleb finds himself caring for her, her silences, fears, everything.

Then they find out that she may be a long lost princess and then comes money and Irina who loves him decides to give him his freedom. As usual he's a bit thick and takes time to come around.

Josephine says

I liked the premise; marriage of convenience is one of my favourite tropes. This just didn't work for me. I didn't really feel any chemistry between the hero and heroine, and it was a bit slow.

Kız karakter sonlara doğru sinir bozucu olmasaydı 4 puan verecektim ama o gereksiz ayrıntı ve kızın saçmalığı sinirimi bozdu. :(
