The Uncertain Years

Beryl Matthews

The Uncertain Years Beryl Matthews

As World War II breaks out, four friends consider the changes that war will mean. Tomboyish Becky plans to join the ATS, her neighbours Bob and Jim the navy and army respectively. Only Becky's brother Will is left out of the excitement; because of a slight physical disability, he is forced to stay behind. As the friends are separated, their youthful enthusiasm is tempered by the grim newspaper headlines and their own experiences, and they will feel both joy and pain before the war is over.

Joy says

A good easy read.

Jacoba and Hermann J. Knolle says

A wonderful book!

I loved this book, and enjoyed every minute. This is a truly fine story, with great characters. I am very interested in ww2 stories, and this one did not disappoint.

Mary Christian Payne says

Another Great War Story

I identify closely with this author, and admire her writing. I, too, began writing at age 71. We both love WWII stories set in England. Keep up the fine work MS. Matthews!

Mary Christian Payne

Psammead says

I enjoyed this book

GABRIEL LOMBARDO says

Not just another WWII story.

Great read of Becky Adams, her family and friends during the war in London. Her brother Will working past his disability, her working on the mechanics that she loved and and all the friends they made during the war years made for an adventurous and enjoyable story.

Margaret Spalling says

A bloody good read

Fantastic from start to finish.

Fell in love with the characters and couldn't wait to see what would happen between Becky and David as I

thought Bob might have stood a chance lol.
But all's well that ends well.
Great believable storyline and though there were many characters, each had their place

Laurie says

A charming easy historical romance.

Susan says

I really enjoyed reading this book. However, I thought it moved rather quickly. I would have loved to see it done as a series with several books covering the war rather than shoving all 4 years of the war into one book. Even so, the characters were lovable and you felt their pain, sorrows, joy, and happiness as they lived and contributed in their own way during the war.
