In Elaine Miller's "Fee Fie Foe Femme," a girly-girl reaps a sweet punishment for refusing to mess up her raspberry pink lipstick. In Madeleine Oh's "Our Women Know What to Do," a woman hoping to please her Turkish boyfriend ends up being pleased by Turkish women instead. And in Peggy Munson's "Fairgrounds," a handsome dyke daddy sells her sweetie to the carnies for a night. This is hot lesbian sex: sensual, inventive, and breathtaking.

I had a hard time rating this...One of those times I wish we had a ten-star scale, not five, but anyway...I enjoyed some of these stories. I was just hoping for...more than what was offered, overall. Many of these stories felt more hetero than I cared for, and while I expect some cliches when I pick up a short story collection, I'm not expecting quite so many.
