Caina Amalas is a Ghost circlemaster, leader of the Emperor's spies in Istarinmul. Yet the people of Istarinmul know her as the Balarigar, the daring master thief who challenged the corrupt lords and cruel princes of the city.

And now Grand Master Callatas, the most powerful sorcerer of Istarinmul, wants her dead, and without allies Caina will not survive.

So when a legendary thief offers Caina a chance to rob Callatas himself, she has no choice but to join the venture.

But no one has ever escaped the dark perils of Callatas's Maze...

## ABOUT THE AUTHOR

Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas.

He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works.

### Sara says

Still a strong heroine. Loved her strength and intelligence. Good read

---

### Tony Hisgett says

I enjoyed this story as Caina continues to rebuild her life while trying to combat Grand Master Callatas. She also finds a few allies, which adds a little more interest to the story, even though the author insists on trying to make some of them so enigmatic they become annoying.

### Jennifer says

#### First chapters

I always enjoy the first chapters of this series and that is why I chose this rating. Details are inventive throughout the books (if a little grotesque at times). If you like suspense you will probably enjoy this book.

### Ieshia says

Another amazing addition but shorter or it felt that way

### Rochelle says

Another great book about Caina. I was a bit scared about where the series would go given the last book of the ghost series. I don't want to give away any spoilers so I'll just say that I'm happy about how this book played out.

The characters introduced in this book were very interesting. I'm excited to see how they play a role in the series. Looking forward to the next book!
