Beautifully illustrated seasonal board book. It contains pictures only, and they absolutely delight my toddler.

Brooke says

This is one of the more beautifully illustrated board books I have seen. And my daughter loves it. There are so many stories to be imagined on each page. I am looking forward to reading the books for the other 3 seasons.

LOVE these books.

Emma says

This is a gorgeous book to enjoy and to use to teach about the seasons. Best of all, when we reach the picture where the girl is cuddling the bunny rabbit, the reader always gets a hug from Ll :)

Hilary says

Board book with beautiful illustrations and no text. Spring flowers, sewing seeds, cavorting lambs, rainbows and ducklings. Perfect reading for a February day.
