Exploited Lane Hart

WARNING: This book contains some dark, dirty and dangerous situations before ending in a jaw-dropping cliffhanger. The debauchery will continue in the second book in the series, Redeemed.

I'm going to hell, and my angel's about to lose her wings.

For years I've left a path of death and destruction wherever I go. I promise myself that after one last job I'll have the money I desperately need to quit taking lives. That's how I find myself back in my hometown of Lexington.

So beautiful and innocent, I unknowingly end up saving the life of the one girl I was supposed to keep silent...the one girl I was supposed to end.

She's my fallen angel sent from above.

I can't resist staining her pure white wings with my darkness when I use her. Defile her. Deceive her.

The two of us were both ruined by our pasts when they intersected. Pasts that we're still trying to escape with the hounds of hell on our heels.

Fate brought us together. Now, I'll do anything to protect my angel from the demons that haunt her. I won't stop until I slay the devil himself to keep her safe, the man who ruined both of our lives.

The only problem is, my silent angel is keeping secrets from me – the biggest of which is that I'm not the only one who wants to exploit her.

OWN REVIEW - Exploited (A Dark Redemption Novel) by Lane Hart

5 Stars

Reviewed by Vivienne Kauffer

A simple, terrified, silent girl returns home, but it hasn't been a home for years and the memories and nightmares plague her daily.

There's so much that happens in this story that it's quite hard to review without giving anything away. What I will say, is that it's dark but not the darkest of books out there. More than one life hangs in the balance and things can so easily crumble and end in ruins.

This book is well written and quite honestly, I'm torn as to who my favourite character is. I'm not sure even Blair knows where her head is.

It's a great book that holds your attention. It ends on a cliffhanger and I'm desperate to get my hands on book #2, Redeemed.

Oh My God Lane Hart the way you started this book!!!! Dayum Girl!!!! You really know how to captivate your readers and I knew I would found an intense, captivating and suspenseful reading.

"Exploited" starts with a traumatic event that little Blair had witnessed. She watched her mother being brutally killed and you can feel her pain, the way she's scared. No child should witness this traumatic scene. This book explores the story of Blain, Brede and Aden, and this story is alternated through their points of views.

Blair is an 18 year old girl, haunted by her tragic childhood. She lives constantly in fear of being caught and isolated from the world. She returns to her childhood home after 10 years away because she wants to recover her memories, she wants to remember the only person who ever loved her, her mother and then she intends to end her life because for her there is no purpose to continue to live.

"Brede" is a military man already discharged from military service. Service who trained well in the art of killing and survive. He's a hired killer, he gets paid to kill mainly bad and cruel people. He only do this because he needs the money to save the couple who had saved him. Until one day he gets the call that will change his life. Will it be for the better or worse?

Aden is the mystery man that only have on purpose: Prove the author of a crime and with that save the person who was arrested unfairly and for that he has to get the help from Blair.

When the three of them know each other something about her awake them and they cannot remain indifferent to her innocence and beauty. A lot will happened that will leave you on edge.

This book is bathed in suspense and mystery. We have some hot scenes in the mix that will leave you flabbergasted, believe me.

Do you already know Lane Hart work? You don't? What are you waiting for? Each book reveals the fantastic author she is, because we can see the story flow without becoming bored, quite the opposite, you will want to keep reading. The way she writes captivate you from the beginning and you can't stop reading. Now I am truly upset. Do you want to know why? The way this book ended had left me furious. So many questions that remain unanswered! So curious that left me hallucinating. Please, please, please I need book 2, asap because the unknown is killing me.

I always enjoy reading Lane's books they are the type of books that's you can't put down and must read till you see the words the end. As always I really enjoyed this book and was hooked from the very start. I loved how it had the other characters POV as well. I can't wait to find out how this story is going to go. I was lucky enough to get an Arc of this book and will be buying it when it comes out

Romance Readers Retreat says

This was my first book by this author and I quite liked it. It's quite a tame dark read compared to some of the really dark stuff I've read. Most of it is in past tense explaining in the story but with some of the content/explanation there's no way it could be categorised as anything else especially with events towards the end of the book. I'm not going to rehash the story as its all in the blurb and anything more would maybe spoil it for some. Blair has me curious as at the moment her head is all over the place and she struggles to know

what she wants. However her character is developing and I can only see that getting stronger as the next book unfolds. Brede and Aiden I'm still trying to work out but they were arses at the end which has made me want to slap them both. The Cliffy at the end didn't bother me either as it was one of those endings that was abrupt but you also knew what was happening at the same time. I look forward to book 2 and I will definitely check out more of this authors work.

Angela says

This is one of those books that will keep you guessing from the very first page! I loved all of the characters, and I can't choose which one of the "bad boys" I like best. Lane is a great author with her own unique style, and her books always seem to pull you in right away and leave you wanting more. I can't wait to read book two!

Jennifer Lessard says

I received a free copy of this book in exchange for an honest review. As usual, this is another amazing, hot and angsty book from one of my favorite authors! But I don't feel that this is a "dark" book. I would consider it an erotic, psychological thrill. But other than that I think this book was well written and I was sucked completely into the story and could not put the book down! And as for the erotic part, WOW! It's sexy, hot and the sex scenes will leave you breathless and panting for more! I will say, that if you do NOT care for cliffhangers, you might want to wait until Redeemed, book 2, is released, before you read Exploited! Because when I got the the words, "To be continued in Redeemed...", I wanted to strangle Lane! I thought, "How the hell can she do this to me?" It's a good thing that she is one of my favorite authors, or I might have had to hunt her down. Instead I will be waiting "impatiently" for Redeemed to be finished so I can see how this is going to end. In the meantime, my mind will be thinking up all the different ways that this story can play out. Thanks again Lane, for another amazing read.

“Blair? Blair, stop! Listen to me, goddamn it!” Red. Red everywhere. Blood. There’s blood splattered all over his face, shirt and tie. Oh God, his hands. I look down and watch blood drip from his hands that are holding me, staining blue dress. Mommy...I still hear her screams. Or maybe they’re my own because she’s lying floor unmoving, soundless... “Blair!” he yells. “Shut up! Shut the fuck up and listen to me!” God, his eyes so dark and angry. Scary. I think he hates me. My only thought scream at top my lungs for help, for someone to save mommy and me from him. Whap! The entire side face goes numb cheek begins to throb “Stop screaming or so fucking help me...” he says before pushing knife covered in her blood to neck. “Listen to me. You’re not gonna say a word. Not a single fucking word to anyone! And if you do, this knife gonna cut through you just like it did her. Do you understand me, Blair? Keep your mouth shut!” “Now go room, take dress off and hide it inside your dollhouse. Got it? Can you do all that, or do you want to end up like her?” I see mommy lying in puddle of red, her unblinking eyes staring ceiling. “Go!” he shouts, I race my room, trying remember wanted me to do. I know he’s gonna hurt me too. It’s just a matter of time. Running to closet, I slip into darkness, underneath dresses. Wrapping my arms around my legs, silent tears pouring down face. I don’t make a sound as I wait for him. I don’t want him hit me again, or stab knife through me like he hurt mommy. So I’ll hide in here. He’ll come get me eventually. And that’s what terrifies me most.

Ten years later...

Army buddy said you’re known as Azrael, the angel of death. That true?”

Nolan Stevens only Fort Benninghas number and knows illegal side business. I neither confirming nor denying nickname I received during my 3 tours in Afghanistan.

Both biological parents were murderers. As a trained sniper, I was government’s executioner, disposing of bad guys for them. They paid me to be a murderer, and it easier to I expected. I was hero for stopping 42 hearts, Since I honorably discharged a year ago,

I haven’t found job require assassinating men. To pay bills and all my vices, I’m mercenary, getting paid kill 7 seven men so peeps revenge didn’t get hands dirty. My hands are so damn stained they’ll never be clean again, so what’s a few more deaths on my conscience?

I got bad news Jim about Paula, I asked devil for a deal. Just let me take one life help couple raised me with medical bills, prevent losing house, and enough left over find legitimate, permanent job in Louisville. I’m tired fucking assassin for hire. I can’t sleep shitfaced drunk block out endless faces haunt my dreams. It’s loved one’s grieve for men I killed haunt me, even if lowest scum of earth.

“Half a mil and no less,” I tell Rog As general rule, I don’t women. My hits always men, worst evil to walk among us, and I’m doing society favor. Fuck. If I have to go back shithole and all depressing memories it holds, my price is going up. For years I’ve avoided place and all of its ghosts. “A million is bottom line,” I want 25% up front, so I know he’s good for rest.”

BLAIR: Ugh, jeez, I hate moments when I can’t figure out what’s real or imaginary. Coming off meds, I thought I had pushed my way through hazy fog days. Evidently not. The night prowler “I’m gonna put you on bed, okay?” I forget to be afraid. I can’t...be restrained again...I just got free! Once I’m restrained, I know I’m screwed. I was hoping guy steal things and leave. “All done, Blair” How does he know my name? “I’m pretty fucking surprised to see you back here, “Still liar, putting innocent men behind bars?” How does

he know? There only 2 people alive know truth because I've kept mouth shut for 10 years, afraid utter a single word for fear of confessing.

Blair Fucking Lockhart. I had almost forgotten part she played in destroying my life, taking my family from me. None of my contacts mentioned seeing her. It's like she disappeared off face fucking earth. I've got all week, maybe 2 my contacts assured me he's out country honeymoon. This forgotten girl might ruin everything, unless I can convince her to help me. How long had she been hiding in that damn closet? All the heartache. The years we'll never get back, even if I find evidence I need. It's not just her father's fault, it's hers, too. But ways I want hurt her would make me more of monster than he is. I may not ever be able to look at myself in mirror afterward. I'll put a tracking device on her car. Be here tomorrow night, and I'll make you an offer you won't be able to refuse." It's all reminder I need that despite 4 years of therapy, inside I'm as sick and twisted as I'll always be, thanks to demons of my shitty past. She's better than all evidence in world. I'll find out if there's anything flash drives I stole. I won't be able to stop thinking about her until I see her again. The demented fantasies starring her. The 1st first time I got a blowjob, fucked a girl and was held down and fucked, all in same goddamn week.

The stranger called me a liar. Yes, that's all I am. After my mother died, my father discarded me I was only 8, so 2nd half of my childhood was spent away from him. I wanted ask late night prowler how he found out and beg him to do something about it since I can't.

I pop anxiety pills. I'm so tired. Tired of fighting demons, screaming and blood. Tired of knowing I'm responsible for her death and ruining an innocent man's life. I don't deserve to live while he sits in prison serving life sentence with zero chance of parole. This 1st time years where I'm not constantly monitored or on lock down. I want to escape before they find me and drag me back. I'm coming clean. Confessing my sins. Before I end my life, I raid piggy bank find ones, fives and tens I got my mom as bribes to keep her secrets. My entire consisted people telling me to keep my mouth shut. Don't talk. Stay quiet. The one time I failed ended in blood and grief so strong I wasn't sure I would survive. I wish I hadn't, and today I'll finally make amends. After being kept meds intended to leave me with void where emotions were supposed to be felt. I guess nothing to happy about while in isolation. I hop red, Audi A-5 convertible.

BLAIR leaves pawn shop hops on back of Brede's bike. He takes her to eat. She doesn't say a word.

District Attorney Lockhart, dirty prosecutor, surrounded crooked cops, and selling verdicts highest bidder, victims or defendants. Lockhart is murderer which is why I'm here her daddy wants her dead. She's so fucking clueless it almost be sad if I still had a fucking heart.

BREDE: I've already fucked up being seen in public with her. That's assassin rule #1 I broke it. Rule #2 not to fuck your mark, but I'm saying screw rules.

SHE GIVES HIM BLOWJOB IN PARKING LOT AND HE FINGERS HER TIL SHE COMES. SHE IS A VIRGIN.

BREDE: My thrill-seeking angel about to lose her wings. Those ivory feathers definitely be stained. Darkened. And I wanna be one who plucks every last one of them. Why is idea of dirtying her up so fucking hot?

BREDE DROPS HER OFF DAD'S SHE HAS NO CAR AND NO GUN. BREDE WAS IN FOSTER CARE HAD A BRO BUT JIM&PAULA COULDN'T GET APPROVED FOR HIM TOO. BREDE HAS NO IDEA WHERE HIS BRO IS. £I THINK HE'S NIGHT PROWLER£ BREDE'S UPSET BLAIR WOULDN'T LET HIM EAT HER PUSSY. THEY GO BACK FOR AUDI IT'S BEEN TOWED. BREDE FREAKS OUT WHEN BLAIR HAND MOTIONS SHE WAS GONNA KILL HERSELF WITH GUN. BREDE REALIZES HE'S NOT GONNA KILL BLAIR AFTER ALL. SO HE WILL HAVE TO KILL THE DA HER DADDY.

BREDE'S MOM APPARENTLY KILLED HERSELF WHEN HE WAS ONLY A FEW WEEKS OLD SINGLE GUNSHOT HEAD.

BREDE TAKES BLAIR TO GET A TATTOO. HE GETS ANOTHER SAD ANGEL TO REMIND HIM OF BREAKING BLAIR. BLAIR GETS. A SWIRLING VINE WITH FEW FLOWERS AND 2 BUTTERFLIES. THE VINE SPELLS OUT TWO NAME VALERIE AND BEN. AFTER BREDE SEES THE NAMES HE STORMS OUT SO SARA TAT ARTIST DID BLAIR'S DRIVES HER HOME. Nightcrawler prowler says his name is Aden he's an FBI agent

BREDE'S FATHER WENT TO JAIL FOR BLAIR'S MOM VALERIE'S MURDER. BLAIR LIED TO COPS BUT SHE DIDN'T TESTIFY IN COURT. HE'S INNOCENT. HE TELLS BREDE THAT BLAIR WAS LOCKED AWAY BY HER DAD. BREDE SAYS HES GONNA GET HIM OUT. BREDE'S DAD WAS IN LOVE WITH VALERIE GONNA LEAVE BLAIR'S DAD THAT'S WHY BLAIR'S DAD KILLED HER. ««I think Ben's his dad»»

Goddamn, that's tragic as shit. With one man's decision, my family was ripped away from me, my father locked away for life, the woman he loved gone...

BREDE'S DAD SAID AS KIDS BLAIR AND BIYS PLAYED AT POOL. "The girl's been through enough. So either take care of her or stay the fuck away from her." Since I already know I can't stay away from her, I guess I'll have to take the first option.

It was devastating losing our father, but nothing has ever hurt as much as having to leave my brother behind. He was my best friend, my partner in crime, and the other half of my soul.

ADEN SHOWS UP @BLAIR'S A judge search warrant DA's office and sheriff's department's evidence room."SHE GIVES HIM HER BLUE DRESS SHE HIDDOLL HOUSE 10yr AGO. BREDE GOES POUND SPRING BLAIR'S AUDI BUT SOON FINDS OUT BLAIR STOLE CAR AND BROKE OUT MENTAL HOSPITAL. BLAIR REFUSED TO LEAVE WITH BREDE SO HE DROPS BOMB THAT HER DAD WANTS HER DEAD.

ADEN TAKES HER VIRGINITY AND SHE STARTS CRYING AFTERWARDS. BREDE'S IN BED WITH BLAIR WHEN ADEN SNEAKS BACK IN. HE SAYS YOU WOULDN'T SHOOT YOUR OWN BRO WOULD U? ADEN & BREDE ARE TWINS!

ADEN'S FOSTER FAMILY SEXUAL PREDATORS WHO HE HELPED FEDS BUST 3YRS A GO. THE VIDEOS EVERY TIME TOUCHED, SUCKED OR MADE ME FUCK FOSTER SIS OR FRIENDS FROM SCHOOL ARE STILL ONLINE. THIS Y HE WOULDN'T LET BLAIR TOUCH HIM.

BREDE AND ADEN HEAR SIRENS. BLAIR SNUCK OUT. ENDS UP IN A HIGH SPEEDCHASE W 3 POLICE OFFICERS. SHE CRASHES INTO TREE BLACKS OUT. WAKES UP TO ROGER WHO WANTS TO FUCK HER THEN KILL HER.

BLAIR GIVES HIM BJ DEEP THROAT'S HIM THEN BITES IT AT BASE..HE GETS ON TOP HER &CHOKES HER. Now I fight. I dig fingernails hand as hard I can, trying raise knee nail asshole. he starts choking with both hands, room goes dark, right before I hear loud crash and boom. Dying is apparently loud, I welcome death. It has to be better than living.

Rosemary says

This was a bit long and I had trouble getting into the book at first and then, WOW, it took off. Blair is an 18 year old virgin that has been hidden away in a mental institution because of something horrible she witnessed

ten years prior. She escapes because she wants to right the wrong she caused ten years prior. Brede has been hired by Blair's father to "silence" her despite the fact that Blair has not spoken a word for the past ten years since she was told if she said anything, she would be killed. Brede breaks into her childhood home where Blair has been hiding since her escape and is immediately overcome by her beauty, spunk and innocence. Things get tricky when not only does Blair have Brede visiting her, there is another mysterious stranger that also breaks into her home and is also captured by the innocent young virgin. The book keeps you guessing how who the mysterious 2nd stranger is as you are exposed to some very hot scenes between Blair and Brede and Blair and her stranger. I guessed at identity of the mysterious stranger but that did not diminish my enjoyment of this book. As stated, there is a cliffhanger at the end and I was left on pins and needles and cannot wait to read the ending in Redeemed.

I was given an ARC in exchange for an honest and totally voluntary review.

So. Much. Sex.

I know that's the main point of these books, but goodness. This book really throws it in your face every chapter. The sex scenes are quite tantalizing, but most of them weren't the right kind of kinky for my tastes. There was also a fair bit of exhibitionism, which I'm not into.

It was worth the three hours it took to read it, and the last 30% really had me hooked, but after reading the teaser for the follow-up, I'm not interested enough to finish it cause I can kind of tell where it is going, and most of the main plot points have already been revealed.

I would've given this book 4 stars except that some of the reveals were rushed and fell flat, and in general the author just seemed to be filling in the holes between each of the sex scenes. Which is a shame because I think with proper flushing out, this could've been a really interesting read.

The other frustrating thing was the Mary Sue-ness of the main character. Of course, she's the most beautiful girl in the world. So beautiful she makes two men almost instantly fall in love with her. That I would actually be willing to accept... If she wasn't also just immediately amazing at sex and apparently can deep throat a guy on the first try. She's also super down to do almost anything (*except* receive oral sex... what?) despite being a virgin who literally hasn't ever touched someone sexually. She also climaxes super easily with

maybe 1-2 minutes of stimulation. Are there people like this? I am not like this.

I'm not asking for realism in my dark romances, but if I'm literally scoffing and rolling my eyes at some parts... that's a problem.

ocdbookreader says

I rated this book 2.5, but 3 star for publishing purposes.

I seen this advertised in one of my groups, once DARK was mentioned, I wanted to read this as it's my preferred genre.

I wouldn't so much call this dark with it being book 1/2. I would say more erotic/thriller. Dark books go into explicit detail of depraved and brutal things. This has brief mention, but nothing to make you turn a page as it's only two sentences.

If you're not into triangles, this book may not be for you.

We have Blair. She's being hunted down by her father for a crime she witnessed as a child.

Brede (pronounced breed) he's being paid by the father to hunt and kill Blair.

Then we have the masked man that's climbing through Blair's bedroom window to help her, and himself.

This book started out well enough, but from there just became to rushed with no development. I mean Blair is 18, a virgin, and been secluded all her life. With in hours of meeting Brede, he has his hands down her pants, putting on a show in a biker bar parking lot. Then orders her to her knees (of course she obeys) and gives him oral sex right there.

When he drops her off at her house, a few hours later the man (she met the night before), that climbs through her bedroom window, she gives him a hand job while he gets her off.

The story continues like this from afternoons with Brede to the nights when the man comes through the window. Until a whole three days later and one of them gets her cherry.

Also when you find out his age and profession (I know it's fiction), it's not possible as you must be 23 to even be considered to work there. Just stating as a fact on the under development of the characters.

There is very little time for these character's to even develop and become involved with them.

It's face paced, and well written. I skimmed through most of the sex scenes to get to the real story, which wasn't much. With a book this short, all that sex could of went into characters and story build up. As this is the first time for me reading this author, I will still give book two a go and hope to get the story and character connection.

The Insta love and execution of this book just didn't make it stand out, everything was just thrown at you. No real build up.

If you're looking for a quick read with lots of steam, this book maybe for you.

This was a hot yet confusing in places read that once I started I was compelled to finish in one sitting since I could not wait to see what happened next! The story told from multiple POV (Brede, Aiden and Blair) kept in the minds of the characters as events unfolded in this fast paced book. The story ends on a cliffhanger and I can not wait to see how it ends in this action packed steamy read!

I received an ARC copy in exchange for an honest review.

MAY CONTAIN SPOILERS - Great dark book, had me guessing all the time, became very uncomfortable with two brothers screwing with Blair's affections but at first I wasn't sure if these were in fact two separate man or the same man or possibly a figment of Blair's imagination - she had just spent the last ten years in a mental institution after all. Blair watched the brutal murder of her mother when she was a little girl, sworn to secrecy, and now that she is over 18 and out of the mental hospital the murderer wants to make sure Blair stays quiet, permanently. Great mystery to figure out who these two men are that suddenly enter her life, one who seems to want to save her, the other one hired to kill her but instead becomes obsessed with her. It got a little creepy really, this love triangle that Blair didn't know how to control, until she overhears the two brothers confronting each other & assumes she is simply a pawn. Can't wait to find out if Blair can break free on her own & leave both the brothers behind!!
