Nura: Rise of the Yokai Clan, Vol. 06 Hiroshi Shiibashi , ???

While the day belongs to humans, the night belongs to yokai, supernatural creatures that thrive on human fear. Caught between these worlds is Rikuo Nura. He's three-quarters human, but his grandfather is none other than Nurarihyon, the supreme commander of the Nura clan, a powerful yokai consortium. So, Rikuo is an ordinary teenager three quarters of the time, until his yokai blood awakens. Then Rikuo transforms into the future leader of the Nura clan, leading a hundred demons.

The House Where Jyami Wanders

Yokai rumble! Rikuo leads his Night Parade of a Hundred Demons in a street fight against the 88 Demons of Shikoku. But Rikuo doesn't know that the maniacal leader of the 88 Demons, Tamazuki, is wielding a secret weapon: the Devil's Blade, a legendary sword that absorbs the energy of the demons it slays. When the sun rises, the Paranormal Patrol visits a girl who's being haunted by a Jyami, a ghost drawn to a person who's a target for resentment.

From Reader Review Nura: Rise of the Yokai Clan, Vol. 06 for online ebook

Ash says

This series is receiving a solid 5 star rating and this review will be placed on every volume for organizational purposes.

Nura: Rise of the Yokai Clan, or just titled Nurarihyon No Mago ("Nurarihyon's Grandson", if I'm not mistaken) is something very dear to my heart. For one thing, I have never ever loved something so unconditionally that I would watch the anime in days and read the manga in days. I have loved many, many series, but not to where I actually felt the need to watch and read every part of the series. Another thing is, you know you love something when even though the last time you saw the title of that series was years ago, you somehow have learned the ability to not misspell the title no matter what. Serious love right there. Nura is a 25 volume, 200 something chapter series. Needless to say, it is a long series. Now usually, this is where I get bored. This is normally the epitome of why I don't read much manga: the length. Even graphic novels get tiresome after fifteen or twenty volumes. But, while reading this series, I was entertained the entire time. I remember loving all of the arcs, the backstory. I remember loving all of the characters- even the most villainous ones, I loved them, especially the Kitsune- for one reason or another. Because of that, I could easily give this five stars. Not to mention the fact that I just generally loved the story line. This is character driven, and when you love all of the characters, that's a fantastic thing. I love the action, the coming-of-age aspect, the slight bit of romance, and lord have mercy the background of Rikuo's (the protagonist) grandfather and father is so heartbreaking. Especially his father. Rikuo is basically a 1/4 yokai, which is in a way, a fancier name for demon. His father was a halfbreed and grandfather a full demon, breeding with humans each and every time. The entire character plot is focused on Rikuo accepting his heritage, taking on the responsibilities with it, and learning the skills he needs to properly lead his demon clan- the Nura Clan, as they were named.

Generally, this is not a very original thing- the child of a demon, learning to accept heritage and responsibilities kinda thing- but everything surrounding it, is so unique and amazing and definitely put a lot of time and thought into. I've never seen anything like it, and if you're willing to read 25 volumes worth of lovable characters and good art and wonderful development, please do.

Synopsis:

While the day belongs to humans, the night belongs to yokai, supernatural creatures that thrive on human fear. Caught between these worlds is Rikuo Nura. He's three-quarters human, but his grandfather is none other than Nurarihyon, the supreme commander of the Nura clan, a powerful yokai consortium. So, Rikuo is an ordinary teenager three quarters of the time, until his yokai blood awakens. Then Rikuo transforms into the future leader of the Nura clan, leading a hundred demons.

The House Where Jyami Wanders

Yokai rumble! Rikuo leads his Night Parade of a Hundred Demons in a street fight against the 88 Demons of Shikoku. But Rikuo doesn't know that the maniacal leader of the 88 Demons, Tamazuki, is wielding a secret weapon: the Devil's Blade, a legendary sword that absorbs the energy of the demons it slays. When the sun rises, the Paranormal Patrol visits a girl who's being haunted by a Jyami, a ghost drawn to a person who's a target for resentment.

My Thoughts:

The battle between the Nura clan and the 88 Demons of Shikoku comes to a close in this volume, but it's quite a ride up until then. Yuki-Onna takes on Yosuzume and wins giving her a confidence boost. Takazumi reveals the power of his sword to Rikuo and slays all of the yokai in his night parade. That sword truly is a menace and Tamazuki has allowed stolen power to go to his head. The sun begins to rise which means Rikuo is going to switch back into his human form. That should be the end of him, but instead, it seems he's halfway in both of his forms. He even displays a power that even his grandfather has never shown before. Perhaps only being a quarter yokai will work out well for Rikuo after all? Anyway, Tamazuki is lucky that it's Rikuo who got to decide his fate. If Nurarihyon and Tamazuki's father hadn't shown up when they did, Tamazuki would be dead meat. Even though Rikuo gets everything settled, the Execs still don't believe he's capable. Those assholes need to fight for themselves for once. Although, it does seem that all is not right in the Nura clan. After Yosuzume leaves Tamazuki taking the sword with her, we find out something disturbing...

Next up, Rikuo and the Kiyujuji Paranormal Club go to help out a girl that posted on Kiyotsugu's website about a yokai that stands over her at night. They learn that the Jyami is a yokai that harms those that it resents. It turns out to be a much different story that managed to end happily, thanks to Rikuo in his night form. He even bonds with a new demon and adds him to his night parade.

Now, it seems Yura's brothers have come to Ukiyoe Town and these guys look like bad news for all yokai. The Nura clan yokai better watch out!

Rating: * * * * 1/2

The battle with crazy Tamazuki comes to an end in *Nura: Rise of the Yokai Clan, Vol. 6: The House Where Jyami Wanders*. This was an intense battle with all sides giving their all. At first, I thought Yuki-Onna would disappoint again but she surprised me with her tenacity and strength. In typical Rikuo-fashion, he handles his enemies with utmost compassion.

My favorite part of this volume was the beginning of the next story arc featuring the yōkai, Jyami. I am a huge fan of anything samurai related, so this was really interesting for me. (view spoiler)

I am impressed by the impeccably detailed artwork in every single volume. I can't imagine how long it must take to draw the hundreds of uniquely different yōkai present in every book. Hiroshi Shiibashi truly has remarkable talent.

I'm super excited to read the next volume. This series keeps getting better and better!

Julie says

I am so hooked on this series. That is all.

Nicola Mansfield says

Reason for Reading: next in the series.

This was a great volume and why I keep reading this series! The first half of the book concludes the story arc involving the battle with Tamazuki and the Shikoku Clan of 88 Demons which is all very intense stuff. Then Rikuo's classmates are back and it's the beginning of summer vacation so the club goes off looking for Yokai. Kiyotsugu has secretly made arrangements for them to investigate a girl who is being haunted by a yokai named Jyami. I really enjoyed this side story which was open and shut during the course of the book and brought us a new yokai character, Jyami. This volume brings the best of both aspects of this series together: the yokai battles against Rikuo for leadership of the clan and Rikuo's human self with his classmate friends and the interesting yokai side stories. This volume ends with a very intense scene which shows us that things will be going in a new direction as someone we've never met before but have heard of will be the new protagonist in the next volume. Can't wait!

Gabriela says

Ack!!! That battle was intense!!! Who are these new people???
