Back to the Top J.L. Paul

This book storyline carries on from book 1 (Phone Calls from a Rock Star (Ross Records))

So much has changed since graduation...

For Isabella Ames, life was supposed to start after high school; college, career, and living the rest of her life with Jake Johnson.

But life always seems to throw a curve...

Isabella's new life is not what she expected, but she's adjusting well. She has a job that she loves and is engaged to a wonderful man.

But she finds herself face-to-face with Jake again, after three years and several heartaches. Although they have both moved forward, the connection that binds them hasn't weakened in the least. Now Isabella is struggling to fight her attraction for the only man she's ever really loved while trying to do what she thinks is best.

Enter more paparazzi, family issues, and a new generation and things get crazier.

Will Isabella find her way back to Jake or is she fated to this new life?

-k The Lady Critic says

Here's the link to my video review for this book and the previous in the series --
<https://www.youtube.com/watch?v=ODUTH...>

Oh the characters. While this still needs a lite editing (there are a few cases of repeat lines from the previous instalment for example), it's the love for the characters that made me completely submerge into this novel until I read it from page one to the end.

Definitely worth the amazon money in my books.

Taylor says

I loved Phone Calls From A Rock Star and this book was great too, but the entire time I was expecting this huge climax in the story and in my eyes it was too short. The ending felt rushed with the final scene involving Brad.

Pia says

4 stars

Jennifer says

3/13/17

I'm on Spring Break and wanted to read a book. Nothing on my list was catching my eye so I went to my books that I have already read. I read phone calls from a rockstar and had to follow it up with this. I loved revisiting Jake and Isabella and the rest of the band. I remember how much I liked it the first time around and it didn't disappoint this time around. I wish there was more.

Paige Whitecotton says

Nice finish Iz and Jake!! Now I would love to hear about Nick and Cammy.

Saskia 'follow my shoes' Smith says

WOOOO HOOOO I LOVE THIS BOOK AS MUCH AS BOOK 1!! I am a huge fan of J L PAUL!! the books i read are awesome!! I want more more more!!

This book carries on from where the 1st one ended (phone calls from a rock star) the same characters but a

nice fresh new story line, its written very well, an addictive storyline that you just wont want to put down!! I can not wait for more book releases by J L Paul!! thank you for a thoroughly enjoyable read!
